CONSTRUCTION OF NEW SEWER SYSTEM ASKED

State Board Wants Separ-
ate Sanitary and Storm
Water Systems

STREAM POLLUTION IS NOW PRESENT

Present Million Dollar
System and Sewage
Treatment Bad

Included in the records of the Arlington Heights village board at its meeting Monday evening was a letter from the State of Illinois Sanitary Water board, which in polite language applied the word "unsatisfactory" to the million and a half dollar sewer system and treatment works which were completed two years ago and final settlement of which is tied up in a long drawn out court case. The letter closed with a polite "request" that all of the sewage be treated at all times, winter and summer.

The letter charges that the Arlington Heights sewer outlet is causing stream pollution, and that sewage sludge deposits exist at and near the outlet. The board states that it has notified Mount Prospect officials that the dumping of sewage into the same stream from 5 houses in that municipality is abated. That is a minor matter, according to the board, as compared with the pollution caused by Arlington Heights.

By-Pass Sewage

The letter states, "The pollution caused by Arlington Heights is caused by two main difficulties: (1) The by-passing of raw or only partially settled sewage or both into the stream during and immediately following rains because the engineers unfortunately designed for Arlington Heights a combined system of sanitary and storm water sewers.

(2) The by-passing of sewage after primary treatment only during the winter months when it has been the custom to place the filters out of service."

The Sanitary board states that when the plans for the Arlington Heights system were being prepared that body had verbally recommended that separate systems be installed. At that time the law did not give the Sanitary board any authority over the municipal improvement, which it now has.

The letter admits that Park Ridge and Des Plaines are causing gross and foul pollution of the Des Plaines river, but puts the blame upon the inaction of the Chicago Sanitary district which is exempted from control of the state board.

Ask For Studies

The final paragraph reads, "We request that in accordance with recommendation 3 on page 2 of the Des Plaines river pollution report that you have your engineers make engineering and cost studies for the development of a separate system of sanitary and storm water sewers as a substitute for your existing combined sewers. Also that you make definite plans and give proper instructions so that all units of the sewage treatment works will be continuously operated both winter and summer."

The letter is signed by H. F. Ferguson, technical secretary.

Board Checking Palatine

The activities of the State Sanitary board are not directed at Arlington Heights alone. Representatives visited Palatine this week to learn what was being done there to improve conditions.

Arlington Red Cross Drive Nets Nearly \$200.00

The Red Cross drive held in Arlington Heights under the direction of the Woman's club closed Wednesday with a check for \$190.04 was forwarded to the Chicago Red Cross headquarters. The workers feel that the community has done very well and extends its appreciation to the workers and those who contributed to the fund. While the amount is small compared to what was contributed in prosperous years, it shows that the people of this community are not unmindful of their obligation to an organization which has done so much in relief work in Arlington Heights the past two years.

Hertzogs to Hold Open House Friday Golden Wedding

Mr. and Mrs. Hertzog, 416 East Northwest Highway, Arlington Heights, will be at home to all their friends and acquaintances who care to call upon them Friday afternoon and evening, Dec. 8. This open house is being held in honor of their golden wedding. They were married fifty years ago in Reading, Pa. They came to Chicago in 1913 and to Arlington Heights in 1919. Mr. Hertzog is well known throughout this part of the county through the sale of his hand-made cigars.

ANNUAL FARM BUREAU MEETING NEXT THURSDAY

The annual meeting of the Cook County Farm Bureau will be held next Wednesday at the Masonic Hall, La Grange. Judging from the many important government projects and the efforts that are being put forth by farm leaders to bring back prosperity to the farmers, this meeting will be largely attended. Newton Jenkins, one of the prominent farm leaders, will be the speaker.

QUICK POLICE WORK FINDS FOX THIEVES

Bandits Are Nabbed Less
Than Week After
Theft

That suburban police can work fast and get their men was demonstrated last week when the Wheeling police under the direction of Chief Herbert Lesch captured two silver fox thieves, obtained confessions from both, and had them bound over to the Cook county grand jury in less than a week after the crime was committed.

The morning of November 18, Fred Evanger, who operates a silver fox farm in Wheeling, reported to the police that four of his animals worth \$300 each, a shotgun, and other miscellaneous articles had disappeared during the night.

Bound to Jury

Last Friday, November 24, Marvin Madsen, 21, of Wheeling, and Reese Martin, 23, of Keasauqua, Ia., who has been living at Grays Lake, were held to the grand jury by Magistrate Uptadel of Wheeling for the crime on charges of grand larceny. Madsen was released on \$2,500 real estate bond and Martin is being held in the county jail pending the posting of \$1,000 cash bond.

Their capture followed a chase to Martin's home at Keasauqua, where the suspect was captured and confessed to Chief Lesch and Police Officer Earl Johnson, but Madsen had left the day before and kept a day ahead of the officers who followed him to Lacon, Ill. He was captured by Police Officer John Wick when he returned to his Wheeling home Thursday and he also confessed.

Police Go To Iowa

Police followed clues to Iowa after waiting a day and night at the fox farm suspecting that the criminals might return for another haul.

In their confessions the men stated that they had taken but two of the missing animals, the others escaping when Evanger's police dog scared the men away. They had taken the pellets to Iowa with them, but could not sell the skins so burned them. The other stolen articles were recovered when police searched Martin's home.

Police are investigating an auto taken to Iowa by the pair and found stripped and abandoned near Fort Madison, Ia. The suspects claim to have purchased the machine in Libertyville. The car is at Farmington, Ia., held by the sheriff of Van Burn county.

STATE LAW BEFORE LOCAL REGULATION

Villages Take No Action
To Control Liquor Until
Legislature Acts

The various local municipalities and many of the taverns are waiting action by the state legislature before deciding what they will do regarding liquor. The village officials are reluctant to pass ordinances until they know what power the state is going to give municipalities in taxing and control of the liquor traffic. Many of the tavern keepers, who have never before sold intoxicating drinks, are also adopting a waiting policy.

At this writing everybody is in the dark as to the manner in which the license mellen will be cut up between the state, county and villages. At Arlington Heights Monday night the board informally decided to hold a special session to discuss the matter as soon as the state law is passed. Mayor Flensted stated that among the problems to be considered will be the number of places to be licensed and their location. Attorney Thal expressed the opinion that no limit can be placed upon the number of dispensaries.

The authorities in Palatine have a different view and will no doubt attempt to limit the number to be operated.

Wheeling city fathers did not even mention the liquor question at their Monday night session. Taverns in that municipality are operating under the old licensing act effective for quite some time.

THE MESSIAH IS OFFERED AT POPULAR PRICES

Community Chorus Low-
ers Admission Price of
Xmas Production

"The Messiah," termed as one of the greatest oratorios, will again be a part of the Christmas season in Arlington Heights this year. It is being produced by the Arlington Heights Community chorus, comprising singers from Arlington Heights and Palatine churches, and directed by Fred Theodore Miltzer. Lovers of good music throughout the world recognize the qualities of the production and under the direction of their leader the local chorus has attained a proficiency that insures a rendition that will merit a crowded house at the Arlington Heights high school, Dec. 20.

In keeping with the times and in order to place the production within the reach of nearly every family, the admission charge has been cut to 25c, the price of a movie.

It is an essential part of any one's education to hear "The Messiah," which is one of the most inspired works of music ever written, either from the musical or religious standpoint. Its rugged simplicity, its supreme sublimity, its variety and beauty, its triumphant faith, mark this as one of the greatest works of all time. Written in 1741 by Geo. Frederick Handel, it has been produced thousands of times since, and will live as long as time endures.

Next week's issue will announce the soloists.

H. S. Leaders Hear Address By N-W Man

Some 50 or 60 men from faculties and boards of high schools in the Northwest conference gathered at Bensenville Wednesday night to hear Dr. Hamlin of the College of Education of Northwestern university discuss high school education.

The talk followed a dinner served in the Bensenville high school cafeteria by the high school girls.

Dr. Hamlin pointed out that those who oppose high schools fail to realize that we live in a day different from that which existed when the older generation were in school. Once a grade school education was sufficient; now a high school education is necessary.

He stated that surveys in penitentiaries have shown that the criminals incarcerated there have a mentality equal to that of the people on the outside, but the records show that their average education is far below that of the people outside. The high school gives an opportunity for mental and moral development.

The task of the principal and board today is, he said, to keep up the school's efficiency and yet keep the expenses down. He opposed any cuts which would impair the efficiency of the school system.

Speaking of the Chicago high school system, he said that from 1850 to 1926 the enrollment increased 32,500. From 1926 to 1933 it increased another 62,500. The gain of the past 7 years is equal to the gain of the previous 70 years. Yet, he says, the officials are trying to cut the budget to the 1926 level.

Dr. Hamlin made a plea for a reasonable attitude, allowing schools to run efficiently. He attacked the present tax situation, and advocated distribution of taxes by the state rather than taxation by the various individual communities.

Palatine people attending the meeting were E. Iler principal of the high school; C. Megel, R. A. Kay, and P. W. Vervloet, instructors in the high school; William Mair, N. L. Thompson, John H. Kretz, and Dan Bergman, Jr., members of the high school board.

Arlington Heights people attending the meeting were V. J. Brown, principal of the high school; A. M. Conger and John L. Gross, instructors in the high school; and Theodore Miltzer, president of the high school board.

Forget Red Light Cars Crash at State and Northwest Hwy.

H. G. Ledeleer, of Pease, Minn., was traveling west on the Northwest Highway Wednesday morning with the light in his favor, according to the story he told the police. When crossing State road, his car was hit by one owned and driven by Joe Hugel, of Hillside, who had not noticed the light. The Minnesota car was tipped over with damage to fenders and top.

Thieves Strip 1927 Pontiac in Preserve

Monday, Nov. 27, a 1927 Pontiac belonging to Geo. Jensen and parked near the Roehrer Garage, was taken to the Elk Grove forest preserve, where it was completely stripped. It was discovered the next morning. No clue as to the culprits have been found.

L. L. L. Rally At Evanston; Help Jobless

By MABEL WARNEKE

The first district rally of the Lutheran Laymen's league of Northern Illinois was held at the Lutheran parish hall, Ashland and Lake streets, Evanston, last Sunday. A large number of people attended the meeting, Des Plaines and Arlington Heights having the second and third most representatives, respectively, and Evanston topping the list with most present.

The afternoon session was opened with a brief devotional service conducted by Pastor Carl Kurth of Bethlehem church. This was followed by addresses of welcome by Mayor Bartlett of Evanston, and August Thiel, president of the Evanston Men's club, hosts for the day. Professor Louis Menking of Luther Institute, district president of the L. L. L., was chairman.

Field secretary Amberg reported on the membership and expansion of the league, which although organized just last summer, showed steady signs of development. One of the big things the league is sponsoring at present is the establishment of a Christian Free Employment bureau where all unemployed Lutherans, whether members of the league or not may file applications and receive assistance in obtaining employment.

All clerical work in this bureau is done without cost by volunteers, wholeheartedly interested in this worthy movement. Anyone desiring to file such application may seek information concerning same from his or her pastor. Considerable time was spent in open discussion on this subject, led by Treasurer Sievert under whose supervision the work of the bureau has been progressing very satisfactorily. The afternoon meeting was brought to a close with prayer by the Rev. O. C. A. Boeder of Des Plaines.

A hot supper was served by the ladies aid after which the evening program was opened with community singing and several selections by a male octet. Guest speaker, the Rev. George Luecke of Northwood Park, delivered a lecture on "Christian Stewardship."

Teacher Mirrow was master of ceremonies for the social hour which followed and which proved to be a delightful finish to the affair. The Evanston club were perfect hosts and the visitors appreciate the kindness and sociability shown them.

Perhaps a word or two about the national organization of the L. L. L. will not be amiss. The league was organized in Milwaukee in 1917 with the purpose of taking care of an immense debt then incurred by Synod, and was successful. The second project undertaken was to establish an endowment fund for super-annuated pastors and teachers. The league next turned to the problem of radio and undertook the erection of station KFUO at St. Louis and annually continues to provide funds for its upkeep.

An example of the most far reaching mission work ever done in this country was the weekly broadcasts over a national chain of the "Lutheran Hour," three years ago with Dr. Walter Maier the speaker. This broadcast was likewise primarily sponsored by the L. L. L. The league was reorganized in 1929 and since that time instead of taking in only individual memberships, men's clubs have been taken in as units and thus in 1932 the northern Illinois district was organized.

OBTAIN C. W. A. PROJECTS FOR MT. PROSPECT

Application for 25 Labor-
ers, 2 Painters and 1 Tree
Trim Supervisor O. K'd

Application for painting fire hydrants, decorating village hall, trimming 4,000 trees and preparation of ground for ice skating rinks, involving 25 laborers for an aggregate of 4,500 hours at 50 cents per hour, two painters for 360 hours at \$1.41 per hour and one supervisor on tree trimming at \$25.00 per week for 180 hours, has been approved by the Illinois Civil Works Administration, it was announced by H. F. Meyn, president of the village board. Work was started today and the application contemplates completion of the projects on January 16, 1934.

ELK GROVE REPUBLICAN CLUB TO ELECT OFFICERS

The annual meeting and election of officers of the Elk Grove Township Republican club will be held next Friday evening, December 8, 1933 at 8 o'clock P. M. at the Elk Grove public school house of District 59, located at Touhy avenue and Higgins road. Refreshments will be served and all members are urged to attend and bring the friends.

Shop Early For Christmas Mail Early

Shop Early, it's a good policy. Mail Early, to be sure your messages and parcels will arrive on time—for remember, the day before Christmas is a Sunday with no deliveries.

That is the Holiday advice given by merchants and Uncle Sam.

Most complete selections, least crowds, and the greatest shopping ease are found now. They decrease as December 25 draws near. Don't wait and be disappointed by not getting what you want, or have regrets later because you forget important things at a last minute rush or got your mail out too late to be delivered until after Christmas.

UNEMPLOYED BENEFIT BY PROJECTS

100 Arlington Heights
Men at Work; Many
Sent Other Towns

Over 100 Arlington Heights men, unemployed a week ago are now earning regular wages. Eighty of these men are employed in Arlington Heights projects under the direction of the village, and park boards. A majority of these are men who were upon the relief rolls. About thirty-five others from the unemployed ranks are also at work, many of them being sent to neighboring villages.

In addition to the public projects selected by the Arlington Heights village and park boards, school district No. 25 laid out a program of painting and repairs that is giving employment to seven men. The park board has taken over the responsibility of installing a second ice skating rink, to be located at the north side school grounds. It has been rather difficult to get the work systematized, but it has now been accomplished and the work is progressing rapidly.

The following letter from Kenneth Bangs, landscaping architect, was read before the village board Monday evening and the local taxing bodies intend to avail themselves of the offer of free expert advice in laying out their work.

"Since reading in the Herald of the work which is being started in Arlington Heights on the C. W. A. program I feel prompted to write you and tell you that I think it is a splendid thing that you have given some consideration to cleaning up and toward some beautification for the village. Arlington Heights could stand much more neatness in the appearance of the village. Neatness conforms with the public improvements which you have recently installed in the village. It is a very fortunate thing also that you can provide work for the unemployed in the village.

"I wish at this time to offer you my services free of charge if any problem of the wherein you feel that I might benefit the work you are doing. If there is anything in the way of advice regarding the arrangements of service areas, or suggestions or advice regarding any planting which you may wish to do in your park areas, also if there is any possibility of using some of the trees which may be in the path of destruction when State road is widened, I would be glad to advise you as to where you could put these trees to work for you in your present park areas.

"It may be of interest to you to know that I am now called to Waukegan, Wisconsin, on similar work to that which you are undertaking. I have laid out a program for their C. W. A. park expenditure here in which we are doing some grading, road building, trimming the trees and moving some large trees this winter."

Respectfully yours,
Kenneth W. Bangs

Mt. Prospect Board Cuts Vehicle Tax for Early Payment

A reduction of two dollars on all vehicle license fees payable to the Village of Mount Prospect, effective January 1, 1934, was approved by the Village Board last night at its regular meeting. Under the terms of the new ordinance all vehicle license fees shall be paid on or before May 1 in order to obtain the benefit of the reduced rate. After May 1, the reduced rate is not available and the fee payable thereafter is based on the regular rate heretofore in effect. The new rates will apply on all motor vehicles, including trucks.

In discussing the features of the new arrangement it was pointed out that strict enforcement of the vehicle tax ordinance would be aided by inducing automobile owners and truck operators to obtain license tags early. It was also brought out in the discussion that in order to fully comply with the requirements of the village ordinance on vehicle licenses, it is not only necessary to purchase a tag, but the tag must be displayed in a prominent position on the automobile.

COMPTROLLER NEW OFFICER AT ARLINGTON

New Ordinance Places
Book Keeping Respon-
sibility Upon One

Arlington Heights will have a comptroller if the ordinance presented to the village board Monday evening is approved by the finance committee to which it has been referred. The creation of the office of comptroller was recommended by Auditor E. F. Laurin several months ago. Its purpose is to place upon one village official the responsibility of the municipal bookkeeping and the preparation of reports to the village board.

Early Report on Loan

Letters were read Monday evening from the Federal Emergency administrator of Public Works promising an immediate report to the village as soon as definite action is taken on the request of Arlington Heights for federal aid in the improvement of the water works system.

Firms Threaten Judgment

After months of delay, court and master in chancery hearings and dickerings regarding the settlement of the liens and claims against the village for the construction of the new village hall, definite settlement approved Monday night with the local contractors at 75 cents on the dollar with the addition of \$161.05 for extras presented by Contractor Fingel. However, at the same time a communication was read from an attorney representing three supply firms withdrawing their offer of settlement at 95c on the dollar with extras for court costs and attorney fees. The attorney stated that his clients would take judgment for the full amount due them, including all costs and interests. The board at a previous meeting had refused to pay the costs, taking the stand that such a settlement with the outside firms would be unfair to the local men who compromised at the 25 cent reduction.

Committee Report

The session of the board opened with committee reports. The street committee reported the placing of cinders on Ridge avenue, cleaning of the business district; replacing ornamental street light in Stonegate.

The police committee reported on the recent accident to Officer C. H. Skoog; receipt of \$5 in fines from Judge Meyer; the ordering of 1934 vehicle tags; the complaint that some taverns had not been obeying the ordinance regarding closing hours, and the ban against opening such places early on mornings. Complaint of milk men that crossing guards were kept lowered in early morning hours when watchmen are building fires in depot. The board ordered the complaints investigated.

The water committee reported a delinquent list of \$827.27 with \$139.80 on the reserve list. The building and grounds committee reported improvements made in the municipal building by those indebted for water bills and painters working under the CWA program. The sewer committee reported receipt of letter from the State Sanitary Water board regarding sewage conditions at the outlet.

The finance committee recommended payment, bills and payroll amounting to \$1,768.34, which was approved. The lighting contract for ornamental lights expired Nov. 1, 1933. The committee was directed to secure a one year contract if possible. The regular lighting contract with the Public Service company does not expire until 1937.

Depositors of 2 Banks Will Get 5 Per Cent Dividend December 15

Christmas presents for depositors of the Morton Grove Trust and Savings bank and the Des Plaines State bank were announced during the past week by the consolidated receiver's office in Des Plaines.

On December 15 each bank will pay a 5 per cent dividend. This will put \$13,000 into circulation in Morton Grove and release \$50,000 in Des Plaines.

The receiver's plans call for the moving of the offices of the State Bank of Palatine to the central Des Plaines office at the end of this month or early in January. The consolidation of receiverships into the central office is made to cut overhead costs and conserve the money for distribution to the depositors.

Henry Popp, Former Arlington Resident

Word was received by Will Hefferen Tuesday of the death of Comrade Henry Popp who was killed or died from the injuries caused by a telephone pole which fell on him while at work. Henry Popp was a charter member of the Veteran's Post here. The funeral will be held at Joliet Friday this week. Henry Popp was a brother of Mrs. Ed. Behrens, Mrs. Charles Henneke and Mrs. Henry Tegtmeyer.

The accident occurred ten minutes before the end of the day's work. He was removed to a hospital, where he died at ten o'clock.

NO HOME JOBS FOR CWA MEN OF PALATINE

Local Workers Sent Out of
Town; Township
Has Gang

Why Palatine unemployed are being put to work in other towns was explained briefly by an official at the Des Plaines office of the State Bureau of Public Welfare last week. The reason is simply that there is not work for them in Palatine.

"We try to give the men work," he said, "and if we receive an order for more men in Des Plaines than we have unemployed men in Des Plaines to put on the job, we assign men from other towns. We don't turn down the project simply because we haven't enough men in the place where the work is."

While figures showing the numbers of men put at CWA work in this territory, or the number of them taken from the relief rolls and number taken from the ranks of unemployed not yet on relief are unavailable, gangs may be seen near or in every community.

Sometimes the shifting of men from one community to another leads to conficts, as occurred in Barrington Tuesday when several Palatine boys were ordered to report for work there. Barrington officials refused to give them work, so the timekeeper took their names and they got paid for doing nothing. "Hardest day's work I did in a long time," said one of them. The next day they went back for more of the same thing.

Palatine officials have not as yet laid out projects or gotten men to work in the village, although Henry Roper, township road supervisor, has a gang working on the township's roads outside the village. The matter of CWA work was brought up in the village board meeting Monday night, but nothing definite decided.

Government Officials To Speak to Farmers at Annual Convention

Speakers Of National Prominence
On Program of American Farm
Bureau Federation Meeting
December 11, 12, 13

Efforts to secure a large delegation of Illinois Farm Bureau members at the annual convention of the American Farm Bureau Federation in Chicago, Dec. 11, 12, 13, are being supported in this county, announces Farm Adviser O. G. Barrett.

The Cook County Farm Bureau is extending an invitation to all Farm Bureau members to attend. Outstanding speakers of national prominence have been engaged for the three-day meeting in Chicago among whom are Secretary of Agriculture, Henry A. Wallace; Geo. N. Peek, administrator of the Agricultural Adjustment Act; Chester C. Davis, director of production division of the AAA; Herbert Gaston, official of the Farm Credit Administration; Gov. Paul V. McNutt of Indiana; Gov. J. G. Winant of New Hampshire; and Miss Connie J. Bonslager, state home demonstration agent in Arkansas.

The annual convention of the A. F. B. F. will be of unusual interest this year because it will be a clearing house for ideas and convictions of farmers throughout the nation with reference to the Agricultural Adjustment Act and general agricultural policies of the federal government.

Maple School First In Glenview Area In Junior Red Cross

The Maple school is the first school in Glenview to enroll 100 per cent in the Junior Red Cross for 1934. The goal of the Chicago chapter Junior Red Cross members is 445,000 members.

The program includes: Service to hospitalized ex-service men; transcribing of books into Braille for the use of the blind; and, through international school correspondence, the cultivating of world-wide friendships. The Rev. Lloyd O. Coleman is chairman of the Red Cross roll call for adults.

OFFICER SKOOG BACK FROM HOSPITAL, IMPROVED

Officer Skoog returned home Saturday from Belmont hospital, where he was taken after the accident in which he sustained severe injuries. When he began to insist upon returning home, his friends knew that he was on the road to recovery and while he is still weak, he sends word to the boys that he will not be long now before he will again be on the job. The only fortunate thing, says Skoog, is that the motorcycle is a whole lot worse off.

By GERALD A. McELROY

The 1933-34 Northwest conference cage season opens tonight with prospects pointing to a very close race for top honors. Last season's records mean nothing now as all start out on even footing. At least six of the ten teams appear stronger than a year ago.

Leyden, champion in 1932-33, will have an entirely new team on the court when they entertain Bensenville tonight. Bensenville, winner of third place last year, has a regular center and a regular guard returning in Shriver and Koske, with the best squad in years.

Recent ineligibility has deprived Coach Johnson of three of his best men for the first half of the campaign so the chances of the team have been greatly reduced. Bensenville will, however, be one of the strong teams of the league, and games with Leyden are always rated high in point of rivalry.

Ela's team of veterans travels to Arlington to meet a fast and experienced Cardinal five. Ela finished in the cellar last year, but has three regulars returning while Arlington has six lettermen. Arlington won 5 and lost 7, but is expected to better that mark considerably this season.

Warren, with a team of veterans, will play at Antioch. Warren had a winning streak at the close of the season last year and hopes to continue where they left off. Antioch, which finished ninth, is an uncertain quantity and may be the dark horse of the conference under the new coach, Tom Cox. Antioch is always Warren's greatest rival.

The Barrington-Libertyville game on the Wildcat court, will give a good indication of whether Martin's team is again one of the strong teams of the league. Libertyville finished in second place last year, but won the annual conference tournament. Barrington has a rangy young team, which is expected to rank about the 500 rating of last year. Libertyville hits real snags in Barrington and Palatine in the first two games.

Palatine and Waukegan finished in a fourth place tie with six wins and six losses, and meet each other at Waukegan tonight. These teams did not meet last year, but both are rated stronger. Palatine has a six-foot team with great prospects. The outcome tonight will give an idea what can be expected of the Pirates.

The teams are evenly matched and it looks like more good games than a year ago, when Leyden and Libertyville dominated the conference play.

WHEAT CHECKS READY FOR GROWERS

Farmers in Northwest
Township Receive Bulk
of Amount

Two thousand dollars will be paid this week to wheat growers in the northern part of Cook county by the Agricultural Adjustment Administration. The checks are now at the offices of the Cook County Farm Bureau, at Arlington Heights and Blue Island. Notices have been mailed from the Geneva district office advising the farmers to call there for their checks. While there are 120 Cook county farmers who registered and will receive a payment allotment based upon their acreage of wheat the past five years, eighty-two checks are ready for delivery at this time. Of these, 64 go to farmers who reside in the northern part of the county, the majority in the townships of Hanover, Schaumburg and Palatine. Only 14 of the present checks will be distributed thru the Blue Island office of the Cook County Farm Bureau.

The money comes from the process tax now being paid by the consumers and is based on the domestic consumption (54%) of the five year average of wheat grown by the individual farmer. The largest check is \$860, the smallest \$50.00.

The AAA program of the government, which has made possible the payment of this money to the farmers, originated among the farm groups of the country, particularly the farm bureau organization, of which the Cook County Farm Bureau is the local unit. The local registration of wheat growers and the detail work was done thru the office of Mr. Barrett, farm adviser. Membership in that organization was not necessary to share in the wheat checks, but there is probably not a farmer who receives one of those checks who will not look with increased favor upon the farm bureau organization as a whole and the Cook County Farm Bureau in particular.

ASSESSMENT AUDIT SHOWS BOOKS FLAWS

Changes in Accounting Will Be Made in Palatine Village Records

Changes in the accounting system handling special assessment funds of the Village of Palatine are to be made as a result of an audit of the special assessment accounts detailed to the village board in a report given last Monday by Trustee A. H. Mess, chairman of the board's finance committee. The audit was a matter of three months work.

The chief defect to be remedied is to segregate principal and interest payments on special assessments. This is made necessary in view of the increasing delinquencies, so that the village know how large a fund is available for the retirement of bonds and how much of the money must be applied to interest.

The audit covered the period from April 30, 1927 to March 31, 1933, when the State Bank of Palatine was closed by proclamation of the President of the United States. During this period the total receipts on special assessments were \$1,572,303.90, and the total disbursements \$1,539,405.82.

The three chief items in the receipts column are a cash equivalent of \$638,900 realized from the issuing of bonds at par to contractors in payment on improvements installed, collections from property owners totaling \$48,792.47, and an item of \$48,792.47 overpaid by the county treasurer to the village treasurer in August, 1931.

Disbursements include construction costs of \$682,948.86, commissions totaling \$25,297.04, interest coupons paid totaling \$286,925.75, and \$500,601.70 worth of bonds redeemed at par. According to the books the balance April 30, 1927 was \$106,191.94, and the balance March 4, 1933 was \$32,900.08.

This balance of March 4 was represented by \$28,555.74 on deposit in the State Bank of Palatine and \$4,344.34 on deposit in the First National Bank of Palatine. \$64.67 is unaccounted for.

The audit showed that special assessment bonds outstanding when the second bank closed totaled \$904,188.60 and of the total \$267,695.70 are past due. It also showed that the balances of 28 of accounts are in the red.

P. T. H. S. Alumni Board Holds Tuesday Meeting; Discusses Plans, Program

A meeting of the board of directors of the Palatine Township high school alumni association was held at the home of Mrs. Lena Inkster Tuesday night. Progress of the alumni program of activities and plans for activities to be carried on in the near future were discussed.

Mrs. Mildred Sanborn, chairman of the athletics committee, reported on plans for an alumni boys' basketball team to be under the direction of Albert Putnam and plans to ask for the use of the high school gymnasium one night a week for the use of alumni girls if enough girls are interested.

She also reported progress being made in preparing for a ping pong tournament.

Seth Parker Concert Sponsored Thursday By Lutheran Choir

The male choir of the Immanuel Lutheran church of Palatine is sponsoring a Seth Parker concert to be given in the Lutheran school hall Thursday, Dec. 14, at 8 p. m. The concert is given by the Elgin Walther League.

All are familiar with the Sunday evening presentation of the National Broadcasting company. This concert is an exact reproduction of the radio feature, except, of course it lasts longer than the 30 minute presentation given over the air.

No admission is being charged, but a free will offering will be taken to defray expenses.

LEGION AUXILIARY NOTES

Mrs. Elizabeth Gibbs attended council meeting in Chicago Friday. Mrs. Hazel Neagle, Alma Bockelman, Betty Smith and Alice Oltendorf attended a pot luck dinner and all-day carpet rag sewing, at the home of Mrs. Martha Jensen. Many came in the afternoon and evening.

Our bakery sale was a success and many thanks to all who in any way made it so, and especially Mr. Kruse for the place to have it.

Our hospital chairman from Speedway told of so many boys being able to leave Speedway. Many of them have nowhere to go and many no warm clothes to leave in, and I am sure that anyone reading this article has something in the way of clothes who would be pleased to give to them, if you have call Mrs. Alma Bockelman or chairman Mrs. Alice Oltendorf and they will pick them up.

At our next evening meeting Thursday, Dec. 14 we are having a not luck dinner at 6:30 o'clock. All Auxiliary members and their families are invited, and we have a very good program planned. Any member who does not fully understand this call Margaret or Hazel Neagle.

CLUBS and LODGES

Am. Legion Auxiliary

The regular monthly meeting of the Auxiliary of Merle Guild Post No. 208, was held at the Legion house Dec. 5. There were 17 members present. The meeting was quite a lengthy affair as there was a lot of business to be taken care of. Mrs. Klock handed out the Christmas stockings to be filled. Mrs. Pecchia gave a talk on activities. A party or basket social was decided on to be held on Dec. 17 at 6:00 at the Legion home. A Sunday night supper for the boys. All we ask of the boys is to buy one basket. Mrs. Pecchia also asked for discarded toys. Mrs. Weber has offered to paint everything that needs paint. Making them look like new. It certainly is wonderful of Mrs. Weber to do this for the auxiliary as it's a lot of hard work. "Three cheers for Mrs. Weber." The boys are to go to kiddies that need them. So please help all you can, everyone. Bring toys to the Legion house sometime this week, and if you aren't able to bring them phone Mrs. Pecchia and she will arrange to get them. Some of the Legion members will be at the Legion home Monday to sort and help fix the toys.

More about our Christmas stockings for the boys at Elgin. Mrs. Klock hasn't been able to dispose of all the stockings, some of us took 4 apiece to fill, others took less, but at that, there are a lot more left to fill.

There has been a lot of talk and gossip about Miss Borrell of the Arlington Rest Home, but her heart is in the correct place, as she offered to fill ten of these stockings for us. Now that doesn't sound bad does it? So let's all help Mrs. Klock by filling the rest of those stockings. We don't want anyone of those boys at Elgin to be disappointed Christmas, do we? Hoping everyone turns out to our box social on the 17th at 6:00 (no box).

Monday, Nov. 28, was a big day for a few of the members of the auxiliary. They met at Mrs. Klocks to make Christmas stockings for the boys at Elgin hospital. Mrs. Klock served a lovely lunch and after lunch the girls got busy with two sewing machines, two cutting out stockings and one running draw strings in the tops. 76 stockings were made.

Now the fireworks start. We are going out after you all and we don't expect to get turned down, we want everyone to help us fill those stockings. You don't have to be Legion or Auxiliary members to help, you are all American citizens and it's just as much your duty to help out as it is ours. So let's all work together and see how nice and fat we can get those stockings. Oh yes, by the way, we are getting a lot of new members, some of the old ones that intended dropping out, are with us again, three cheers for you new and old alike and thrice welcome to our midst. (I'll be seeing you), "Bon Ami!"

Mrs. Klock and Mrs. Forsen attended the luncheon and card party given by the Mount Prospect Auxiliary last Friday. A lovely hot lunch was served. Everyone seemed to have a wonderful time. I know, I did. Thanks a lot Helen. "Ask me again, huh?"

JUNIOR AUXILIARY ORGANIZED

A group of girls met at the home of Mrs. B. H. Jarvis on Wednesday evening to organize the Arlington Heights Junior Auxiliary of the Woman's Club, the name being chosen at that time. Mrs. Kraemer, the Seventh District Chairman was present and talked about the organization and gave many helpful ideas. The meetings will be on evenings of the second and fourth Tuesdays of each month, the place of meeting to be announced within a few days. Mrs. Thurman Dodge is the sponsor for the Auxiliary. Any young ladies wishing to become members are welcome.

FIRE LEAGUE BOARD TAKES BIDS TONIGHT

Firms Offering Apparatus to Fight Rural Fires Drive Continues

The board of directors of the Palatine Rural Fire Protection League is meeting at 8 o'clock tonight to receive bids for the fire truck to be purchased by the league. At least one firm is planning to bring out and show the outfit which they are offering.

So far the league has raised \$2,000, and one of the results of tonight's action will be to find out just how much more will be needed to purchase the equipment needed. The drive for membership in the league will continue for about three more weeks.

After the membership rolls have been closed persons seeking to join the league will have to submit applications to be acted upon by the board of directors, according to the constitution adopted at the meeting of the league Friday night.

Membership in the league costs \$5 for persons having less than 10 acres of property, and \$10 for persons having 10 acres or more. Any one living outside village limits and not having fire protection is eligible to membership. All members receive a 10 per cent reduction in their fire insurance costs.

According to the constitution, should non-members call upon the league's equipment for assistance they will be charged \$25 if their holdings are less than 10 acres, and \$50 if they own 10 or more acres of land. Non-members will not, of course, receive any reduction of insurance rates.

At the meeting Friday permanent officers and a board of directors were chosen. The officers are: Fred W. Porep, president; Louis Pohlman, vice president; Fred Pfingsten, secretary; and William Friesse, treasurer. Members of the board of directors, in addition to the officers, are: Gilbert Klehm, A. H. Schmidt, John Meyer, Emil Schroeder, and W. R. Comfort.

Palatine Mothers' Club Has Tuesday Meeting With Mrs. Van Scoyoc

The Palatine Mothers' club met at the home of Mrs. Van Scoyoc Tuesday evening, Nov. 28. Miss Little Hart, speaker of the evening in her talk on "Books for Mother and Books for the Child," stated that a mother should read for information, inspiration and recreation, giving delightful illustrations from the collection of books she so kindly brought with her. Children love books which were read and used by their parents, and should be permitted to keep some of their own books to pass on to their children some day.

Mrs. Sherman read the Twenty-third Psalm and "A Little Parable for Mothers," containing a beautiful lesson. Plans were made for a Christmas party, Dec. 28, which annual event is eagerly awaited by the children.

The hostess, assisted by Mrs. Fosket and Mrs. Buenzow, served fruit punch and cookies while the members looked over the books in Miss Hart's collection and those which mothers have found helpful or entertaining.

Ask \$154,200 Loan

Barrington is applying for a \$154,200 federal loan to construct a sanitary sewer system separate from the storm sewer for which purpose the old sewer will be used.

"The blizzard struck late in the afternoon, and by early morning travel was almost impossible. The county superintendent of schools, realizing the probable danger if rural schools opened, ordered his teachers to close them. Immediately the teachers began telephoning their pupils, warning them to stay at home. Thus many a child was prevented from making a dangerous and unnecessary trip, because his folks had a farm telephone."

HOLY NAME SOCIETY NEWS

If you were one of the few members who missed our last meeting, let me tell you that you missed something. First of all you missed an interesting and educating talk by Father Rebido of Mount Greenwood. Father Rebido is very active in C. Y. O. work and he outlined for us his plans and how it was giving the boy who never had a chance—a chance. He told us about one lad who was picked off the streets and made into an amateur heavy weight champion and who turned down numerous offers to become a professional to enter Notre Dame university, certainly Father Rebido felt proud of this and you and I as members of the H. N. S., can share his pleasure. The other thing you missed was the swell spread at the end of the meeting. We have to hand it to Rudy Rizzi and Otto Wullecker for figuring out a meal—thanks brothers, for the pies and coffee, they were good. Oh yes, another surprise of the evening was two professional Ping Pong players, George Glow had out who demonstrated the fine points of the game to us, and don't forget boys, that the hall is open every Wednesday and Thursday night and you can play as much as you care to, make it a point to drop around one of these evenings.

Just a few words about our Turkey Trot—the dance was a success in all ways—the music excellent, the grub couldn't have been better and it was a financial success. Now, here comes the main part of this discourse—"discourse" is a four bit word, we know, and we will admit that we copied it from Father Coughlan heard every Sunday over KYY. Well, anyhow, the next meeting is our annual meeting and that means election of officers. Last year we tried out a new idea for nominations and it was a great success, each member was sent a nomination blank and asked to fill in the names of those they felt best suited for each office and the three highest were nominated and election took place at the annual meeting. The same idea is in effect this year with this addition that on the reverse of the nomination slips the names of all members were printed. If you haven't sent in your choice as yet, do so next Sunday after mass and if you have lost your slip don't let that worry you, as either Rudy Rizzi, Otto Wullecker or Clarence Weber will be in the church lobby after each mass with an ample supply of additional ballots.

The next meeting will be on the second Tuesday of December in the school hall, it will start at 8 and you can bet your last cent that the entertainment committee will be on the job and have something worthwhile.

Don't forget the date. We will be looking for you—don't disappoint us.

Palatine Football Club Giving Dance Saturday

A dance is being given by the Palatine Football club in Seip's Auditorium in Palatine next Saturday, December 9. The funds gained will be used to insure a Palatine town team next year. Although the boys won only one game during the past season and tied another, they made a very creditable showing against teams greatly superior in experience, training and weight.

To keep the team going and have a team on the field again next year with the experience and record of the past season behind it, the boys are giving this dance to give their backers and friends a chance to show their loyalty.

Music will be by Ketterman's Aristocrats of Melody, and dancing will begin at 8:30 o'clock. Admission is 40 cents for men and 30 cents for ladies.

P-T. A. MEETS TUESDAY

The Palatine Parent-Teacher association will meet Tuesday, Dec. 12 at 2:30 o'clock at the high school. A program of special interest in connection with the Christmas holidays has been arranged. It is hoped that as many mothers as possible will attend.

COMING EVENTS

Friday, Dec. 8, card and bunco party given by Ladies' Clubs of St. James church.

Thursday and Friday, Dec. 14 and 15, "Done In Oil" given by District 56.

Friday, Dec. 15, Dance and card party given by Wilson school board, new school house.

Friday, Dec. 15, box social, Presbyterian Parish House.

Wednesday, Dec. 20, "The Messiah" at the high school auditorium given by Arlington Heights Community chorus.

GOING! GOING! GONE!

That's what you will hear at the Old Time Box and Basket Social Dec. 15, 1933, at the Presbyterian Parish House. And what a time! A whirl of merry making from start to finish, not a dull moment; but you will have to be present to get in on the secret. The date is only a short time off. So if you haven't made your reservation, get in touch with the committee.

We're warning you. You'll be sorry if you miss this affair. Tickets can be secured at Framburg's.

Annual Xmas Seal Sale Now

The annual Christmas Seal Sale is now in progress in Arlington Heights under the auspices of the Arlington Heights Public Health Committee.

The proceeds of this sale go toward the maintenance of the services of our community nurse. Lest any newcomers are not fully acquainted with the services promoted or maintained by the nurse, these are briefly cited:

School nursing, school health projects, following up of contagion, Dental survey and Clinic.

Public Health nursing, relief work in homes for the babies and children, distribution of clothing in needy homes.

Infant Welfare clinic, held monthly.

Many other services incidental to all the above are rendered.

Giving toward this worthy cause is an opportunity for all to share in this good work.

BASKET SOCIAL AND DANCE

The young people of St. James Catholic church will hold a basket social and dance in the parochial school hall on Thursday evening, Dec. 14, 1933. The ladies are invited to bring baskets with lunch. Each basket will be auctioned off; the highest bidder will have the pleasure of sharing the lunch with the lady whose name is in the basket.

A new hard wood floor is being installed and will be ready for use that evening. This should prove welcome news to all who attended previous dances and enjoyed themselves in spite of the condition of the old floor. Couples will be admitted free provided the lady brings a basket. For all others there will be an admission charge of fifteen cents.

Delicious refreshments will be served by a corps of first class waiters for a nominal charge.

A great deal of consideration is being given to the selection of an orchestra for this initial dance on the new floor. It is predicted that this will be the most enjoyable party of the season. Remember the date: Dec. 14, 1933.

CARDENERS MEET TUESDAY

The Cook County Truck Gardeners and Farmers association, Arlington Heights local 11, will hold their annual meeting Tuesday, Dec. 12, at 7 o'clock at the Wilson school, Palatine road, one-quarter mile west of State road and three-quarter mile east of Wilke road. BOWLING NEWS

Monday Night Bowling League

With the Blatz Old Heidelberg team shooting below their form. Kehe Motor took advantage of their opportunity and trimmed them for two, Geo. "Blondie" Winkelman was high for the victors with a 578 series.

Vail Tavern dropped two to the Krause's Butchers when the old turf was missing from the lineup, Bill Schultz Duenn led the Taverns with a 619 series. Al Kehe did the heavy work for the Butchers with a 628 series.

A miracle happened on alleys 5 and 6 when the Arlington Elevators took Snuffy Carlson and his Sterling Tydols for three without the help of their \$100,000 Chuck Kline Neuman. Geo. Schneberger led the assault on the maple for the victors by turning in a total of 585. Frank Scolaro is still fighting the pins.

Jake Krause won one of the turkeys that the V. F. W. gave and donated it to the Monday night bowling league.

Monday night the high man on each team rolled for the turkey and the lucky man was no other than smiling Geo. Winkelman.

BANK DIVIDEND IS POSSIBLE BY CHRISTMAS

RFC Loan Expected to Aid Depositors of State Bank at Bensenville

A substantial dividend to the depositors of the Bensenville State Bank by Christmas is a possibility according to Frank T. Fowler, deputy receiver. Negotiations for an RFC loan have proceeded to the point that a committee of appraisers met with Mr. Fowler yesterday to go over the assets of the bank. The appraisers are:

Edward G. Varnard, Downers Grove, Ill.
C. W. McDonald, Sr., 1007 Wheaton avenue, Wheaton, Ill.
E. J. T. Meyer, 29 S. Loomis street, Naperville, Ill.
H. C. Thieman, Roselle, Ill.
George T. Jennings, Glen Ellyn, Ill.
Wm. Cunneen, Bensenville, Ill.
Edward H. Blatter, Elmhurst, Ill.

In talking over the prospects for good sized dividend Mr. Fowler waxed eloquent over the spirit that is being shown by people indebted to the bank. This is especially true of the Arkansas farmers, in whose mortgages the bank and many Bensenville investors are interested. "It begins to appear," stated Mr. Fowler Wednesday, "that the assets which we have considered the least valuable (Arkansas farm mortgages) are in reality among the best that are held by the bank. This is good news to local investors in these lands as well as to depositors of this bank. Some substantial payments have been made by the Arkansas people and after a month spent in checking up the properties and mortgages, I feel that nearly all of them will pay out. It depends, of course, in part upon the cooperation of the mortgage holders to help the farmers secure financial assistance sufficient to enable them to farm their lands to its capacity. If the farmer can only work half of his farm the coming year, the investors will suffer as well as the owners.

"I am convinced that the Arkansas farm lands are to be among the first in this part of the country to come back. There appears to be more activity there today than in Illinois. Its people are displaying a new spirit of optimism that I hope the Bensenville people can soon share, especially if our efforts are successful to secure the RFC loan."

"I have found Bensenville to be a community peopled by men and women of integrity who will pay their debts if given half a chance. I feel that Bensenville is entitled to aid in the form of an RFC loan and I am depending upon the cooperation of those indebted to the bank to present such evidence of the soundness of a large part of the bank's assets that will secure an early approval from the government, resulting in payment of the dividend."

Leyden Local of C. C. T. S. & F. Assn. Will Meet Saturday

Leyden Local No. 12 meets at Irving Wolf school, Irving Park Blvd., and Wolf roads, Saturday, Dec. 9, 8 p. m. All farmers, members or non members are asked to come and hear what this association has done and continues to do for the betterment of agriculture in the community about Chicago. Local members should especially attend to hear what your local officers have to report. They are your assets of this organization, if they are qualified, have done their duty, select them. If they have failed, let them know so, by electing new officers. That is your duty. But by all means, be fair and impartial when casting your ballot.

Our directors will tell you what has taken place at these meetings. The executive committee will report on their activities. Stay with the old reliable Cook Co. T. G. & F. association, they have weathered many snags, always come out on top, its officers are all your friends and neighbors, willing to lend aid, listen to your grievances, grant most of their service gratis, no high salaries officers, thus most for your dollar. It does not use propaganda to gain membership. Come and be convinced.

Announce Showing Of Ford 1934 V-8

Purnell and Wilson, Ford dealers announce that a surprise awaits the automobile public at their show rooms at DesPlaines when the new Ford V-8 will be on display this Saturday, Dec. 9.

Henry Ford proved to the motoring public that the 1933 V-8 was a great car, the best that his company had produced. Today, he announces an even greater car for 1934 and Purnell and Wilson ask you to attend the showing Saturday and be convinced.

Ninth Legion District To Hold Dance for Veteran Hospital

The Ninth District of the American Legion Auxiliary will hold a dance for the boys at the Veterans hospital at North Chicago on Thursday, Dec. 14, from 7:30 to 10:30 p. m. Refreshments will be served and each unit is urged to be represented.

Dances are held at this hospital twice a month, by various Unit and Districts and the Ninth district feels especially fortunate in having this privilege to entertain the boys. Mrs. Florence Johnson is the district hospital chairman through whose efforts this dancing party was arranged.

Japan Plans to Attack U. S. Declares Pastor In Talk at Hinsdale

"Ever since 1905 Japan has been planning and preparing for a war with the United States," declared Prof. Fred Merrifield, of the Unity church, Hinsdale, speaking before the Hinsdale Commercial and Civic association last week. He speaks from first hand knowledge, gained while in Japan teaching in schools there.

"Japan is trying to stir up trouble at all times. The Japanese want to divide China and then grab more and more for themselves," the speaker said.

"In preparing for the war with the United States, Japan has a very definite plan which is being worked out. They have had 15,000 trained soldiers on the west coast, and also have 10,000 in Mexico. They were even caught sounding Magdalene bay."

"A peculiar trait of the Japanese is that they accuse other people of what they want to do themselves," he stated.

CARD OF THANKS

We desire to express our sincere thanks for the kindness of neighbors and friends and for the expressions of sympathy received in our bereavement.

Pres. Church Host to Boys Conference

The Thirteenth Annual Presbyterian Older Boys' conference of the Chicago Presbytery, was held in the first Presbyterian church at Arlington Heights December 1, 2, and 3, Rev. Herman A. Kossack, minister.

The conference theme—Science and Religion, Friday evening, 6:30; banquet given in dining hall of the church attended by the 200 guests and speakers.

The opening address of the conference by Dr. Edwin B. Frost, director of Yerkes Observatory, his subject: "Living in God's Universe." We can but pause to speak of this wonderful opportunity for boys, aye for even older folks, many of whom did not even know who Dr. Frost was, or the marvelous work he has accomplished with the loss of vision the workings of his tremendous brain power, was not checked.

Saturday morning, after devotional exercises, Dr. Allyn K. Foster gave an address, "A Ray from Arcturus." Following this address discussion groups were held, of which there were five capable speakers.

Saturday evening an interesting service, with an address by Rev. William F. Vance, former chairman of Boy's Conference committee. After hearing reports and other details of business—there was an election of officers. The address of the evening was given by Dr. Allyn Foster, "The Regulating Device of the Human Machine."

Sunday morning the devotional service led by Dr. Robert H. Elliott. Sermon, "The Challenge of an Ideal" by Rev. Herman A. Kossack, after a strong impressive sermon, the speaker condoned his ideal for the boys in the following ringing words: "If I Had a Son, Son, you're going to be a man some day. You are growing daily life's race to run; The world lies before you an open way. Your budding life has just begun. Life is a game, so play it fair. Sometimes you win, sometimes you lose; Keep your head up, play with care. Often you'll win, if you but choose. Dear Son, grow up and be a man. Keep clean your body, heart and soul; Knowing that if you will, you can. May God and Heaven be your goal. The afternoon session, closing address by Dr. Allyn K. Foster—"Energies Available to Scientific Man."

In all the song services, the director was Rev. G. T. Bremicker; Mr. John G. Peters, pianist. Sunday afternoon was the closing session of the conference, and the speakers and members of this helpful convention left for their several homes, carrying, we trust, some pleasant impressions of our home town.

This we can say confidently, those fine courteous "Older Boys" left an unforgettable impression on their entertainers and on all who knew them during their stay. This fine impression proves what right influences will do for growing boys and girls. It also proves that true religion is not dead.

The chief or brighter points in all the addresses condensed into this—"Use your God given brain power and may the Christ spirit be your guide."

OBITUARY

FRIEDERICKA RUSSEL

Friedericka Russel, nee Busse, was born March 30, 1861 in Elk Grove, Ill., and baptized and confirmed in Elk Grove.

On June 23, 1881 she was united in marriage to Mr. John Russel of Arlington Heights, Ill., by Rev. Roeder of the St. Peter's Ev. Lutheran church. They have always made their home in and around Arlington Heights, where in 1926, Mr. Russel passed away. Three children were born of this union, 2 daughters and 1 son; 1 daughter, Mrs. Martha Schoenbeck preceded her mother in death in 1932; the 2 living children are: Mrs. Emma Kastning and Mr. Albert Russel of Arlington Heights; 2 sons-in-law: Mr. Christ Schoenbeck and Mr. William Kastning of Arlington Heights; 1 daughter-in-law, Mrs. Albert Russel of Arlington Heights; 9 grand children; 1 great grand child; 1 sister, Mrs. Johanna Froemming of Arlington Heights; 1 brother, Mr. H. W. Busse of Mt. Prospect; 2 sisters-in-law: Mrs. H. W. Busse of Mt. Prospect, Mrs. John Kolling of Arlington Heights.

Mrs. Russel passed away Tuesday morning, Nov. 28, 1933 at her home on East Euclid and State roads at the age of 72 years, 7 months and 28 days. Funeral services were Friday afternoon at 1:30 p. m. at her home and at 2:00 p. m. at the St. Peter's Ev. Lutheran church at Arlington Heights, Ill. Interment in St. Peter's cemetery. Revs. Noack and Fricke officiating; funeral arrangements by Karstens.

Rev., Mrs. Buehler Are Surprise Hosts On 40th Anniversary

The Rev. F. W. Buehler, pastor of the Plum Grove church, and Mrs. Buehler were honored on their fortieth wedding anniversary Friday night by the Plum Grove ladies aid members and their husbands. The pastor's home was the scene of the celebration, which was planned by the ladies aid and a surprise to the pastor and his wife.

Mrs. Schumelstrat, president of the aid explained to the minister what it was all about, and briefly told the group of the hardships and the blessings of a minister's life. Responding, the Rev. Buehler thanked the group for the surprise.

basing his words on Psalm 103, verse 2.

The evening was spent in the singing of hymns and a social time. The ladies served a lunch, and the Rev. and Mrs. Buehler were presented with a purse.

Crawford and Gable Held Over for Roosevelt Run

Joan Crawford's "Dancing Lady" by all reports is surely deserving of more than one week in the loop, hence she moves to the Roosevelt Theater this week to continue the sensation she began at the Chicago Theater.

Clark Gable and Franchot Tone are rivals for Joan's attention, but "The Dancing Lady" must head her first love, dancing, before she makes her final decision. Joan's many disappointments and heartaches along Broadway have made her cautious, and therefore careful, and it is only through a surprising turn of events in her career, does she finally choose either of her lovers.

"Man's Castle" is Screen Idyll at Oriental

"Man's Castle" with Spencer Tracy and Loretta Young in the leading roles, is hailed as a new "Seventh Heaven." It is fitting that this romantic idyll comes to the Oriental at this time, for "Man's Castle" weaves the story of young and simple love rising above the squidiness and tragedy of present day life.

Tracy and Loretta Young are two waifs of the depression who team up on the proposition that misery loves company. Before long they are convinced that "company" has ripened into a love so strong that misery and poverty are forgotten.

Frank Borzage, who directed "Seventh Heaven," predicts that "Man's Castle" will do for talking pictures what the first Gaynor and Farrell film did for the silent screen.

IN MEMORIAM

ARNOLD WM. HATTENDORF, who passed away 2 years ago, Dec. 5th.

Two years have passed since that sad day When you had passed away. Not gone from memory nor from love. But to our Heavenly Home above. 'Tis good to know, we'll meet again And never part no more, And that our Arnold we loved so well. Has only gone before. Still sadly missed by his parents and sister Adela.

EAST MAINE

Will we see you at the Ladies' Aid bazaar party at the school hall tonight?

A large number of East Mainers attended the birthday anniversary celebration of Mrs. Val Hoffman in Morton Grove Nov. 29.

Mrs. Julius Toepel has been visiting her sister in Mayville, Wis., this week. She expected to return Friday.

Mr. and Mrs. Otto Jaacks entertained a crowd of 75 relatives and friends at their home Friday evening, Dec. 1, in honor of Otto's birthday anniversary. Cards, burlesque and dancing were the order of the evening's amusements with lunch served at midnight.

Mrs. F. J. Wilke and Chester have been visiting relatives in Kansas and Missouri a few weeks. They planned to return to East Maine some time this week.

The Northwest Suburban Bowling League had a large attendance at their dance in Mueller's hall, Morton Grove, Dec. 2. In fact reports have it that it was the largest crowd seen in that hall in a long time. Members of the league appreciate the patronage of their guests.

After their public sale Tuesday at which they sold most of their farming implements and household furnishings, Mr. and Mrs. Fred Bestmann plan to move to their new home near Arlington Heights as soon as possible. Their many friends will miss them, but all unite in wishing them success and happiness at their new location.

The East Maine F. T. A. held their regular meeting at the school house. One more new member was added to the list which shows the membership is steadily growing. Among other things it was decided that the organization will sponsor a masquerade some time in January, the exact date will be announced later. Following the business meeting a social hour was enjoyed.

Funeral services held at Northbrook Sunday for Miss Flo Laue, were attended by many folk from this vicinity, Helmut Lainer being one of the pall bearers. Miss Laue died in California where she went for her health three years ago. She was a relative of W. R. Tagtmeier, also related to the Ahrensfeld and Lainer families.

MILK YOU'RE SURE IS SAFE AND PURE

SINCE 1857 Borden's has been perfecting its method of fresh milk distribution—building up organizations of men skilled in milk handling operations—and improving methods and equipment. No detail is too small, no investment too great to protect your milk supply and deliver a bottle of milk that is pure, sweet and country fresh. After all, just two things determine the quality of milk—(1) the health of the cows, and (2) the care the milk gets from farm to the home.

Borden's make sure of the health of the cows by using only trained inspectors who are graduate veterinarians.

Also samples of the milk from each farm are taken daily for checking in our scientific laboratory.

These are but two of eleven safeguarding services which follow the milk to your very door.

Food authorities say that milk is the most nearly perfect of all foods—and that milk, even at prices much above those that prevail, represents the greatest food value your money can buy. All such statements refer, of course, to milk of high quality—the only kind Borden's deliver. Such milk is a bargain at any price.

FIVE BANDITS ROB, ONE DEAD TWO INJURED

Another Captured; One Escapes; Body Found Near Barrington

(By County News Service)

Crime, tragedy, fate, romance, and a grim but hilarious joke played tag with each other last week in DuPage county as the result of a hold up at the Whitehall tavern on North York road, Elmhurst. It all started when shortly before 3 a. m. last Wednesday when five young men walked into the place and with the command of "this is a stick up—no fooling!" lined about 60 guests against the wall and relieved them of \$1,000 in cash and some jewelry.

Today one of the five is dead, another dying in a hospital was married, two more are in custody facing charges of robbery with a gun and the fifth member is missing.

But first the laugh—is on the law officers of whom almost half a dozen were present when the hold up took place. Some of them lost only money, another had his gun taken away and thrown out of the window, still another, a high county officer, lost his badge of authority and to top it all, fate and not the law caught the bandits.

Now for the tragedy and romance. After all the guests including the police officers, chiefs, and what not, had been compelled to lay down on the floor of the tavern, the body guard of the place whose name everybody seems to forget how to spell, was in an upper story waiting for the robbers to leave the place.

As they got near their car this unseen hero opened fire. Since they did not walk together he had to pick each one of them off separately. He hit three, shot one of them through the heart before they drove away. The shooting kept up for 5 minutes, some witnesses say, but the robbers were game enough to take their injured companions along. All this time according to the best testimony obtainable, the entire police and law enforcing group did nothing but either lay on the floor or peep out of some windows.

To go on with the tragedy part of this story: The bandits got away. The body of one, Wayne Casemann, was found the next day on a road near Barrington. Later it was found that another member of the five, one Albert Nickersch, left the bandit car at Evanston where they had a flat tire. The three remaining men drove up to some field outside of Gary, Ind., where they stopped at a shack. Here a youth was passing the shack. The wounds of Otto Meier had become more serious. Walter Titus, his pal in crime, gave the youth a dollar bill with a request to get medical help. The youth believed it all very suspicious and reported the matter to police instead.

The place was surrounded. Titus tried to swim across a river to escape but nearly drowned as he was caught and finally brought to Wheaton jail for Arthur Bennett, chief deputy sheriff had broadcast a radio alarm for the crew shortly after the holdup took place and he hurried down there to identify them.

Otto Meier, seriously wounded was taken to the Gary Mercy hospital. There a tear filled but smiling girl of 21 married him Monday, vowing that she would wait forever for him—that is if he did not die from the bullet wounds.

So that is the end of this crime story. This was the eleventh road house held up in Du Page county in 90 days. Not one of these previous crimes was solved. In one of them a Lombard police officer was killed. In another several men were believed wounded.

Ban Parking on Curb Presbyterian Church

The police department has placed a ban against parking on the curb south of the Presbyterian Parish house, which has been the custom of many people attending social events in the church building. Complaints of neighbors and the fire hazard has led to the police order.

OBSERVER'S NOTES

The Harvest Home Thanksgivings past, Comes years end with its best last. The Christmas spirit's on the air. And reckless spending everywhere. Our Christmas giving who shall say, Our gifts to choose the wisest way, For those who need how best express, Both beauty's charm and usefulness? Help us, O Lord, in poise to bear, The Christmas spirit everywhere.

Sixteen more days to Christmas! Have you done your Christmas shopping? Be sure and remember you will save more than your carfare by trading at home, in addition to this helping our merchants to keep off the relief list.

Beside bringing us "God's Greatest Christmas Gift" December has three Ember days. These are 20, 22 and 23. It has two full moons; the beginning winters Solstice; the shortest days; also five Fridays; five Saturdays and five Sundays. It brings the end of 1933, and the next day you wake up and find you are beginning a new year.

Time to remember you are scraping the bottom of your coal bin and when the days begin to lengthen the cold begins to strengthen. No use going ahead to meet trouble, yet always bear in mind safety first which is a good slogan and it is better to save on the non-essentials that you may be able to not only provide, but to "pay for" the essentials.

What a privilege it was for those "older boys" to bring their organization to our little city and in so doing give the boys and a limited number of others, a chance to hear the prince of astronomers, Dr. Frost of world wide fame. In his address Friday night in the Presbyterian hall among other bits of splendid advice he said, "It is well to be loyal to your chosen vocation in life, yet go farther."

To prevent becoming single minded or one idea men have an avocation which will give opportunity for thought and development in other channels. Call it a hobby or lines of thought and effort. In other words have "A hobby" to rest you from the eternal dullness of your every day work.

The study of the stars, the movements of the constellations, or close to earth, the study of birds, bowers and trees; all these are restful and wonderful in opening new avenues of knowledge. Or better yet, make something, after the manner of "The Yankee Boy" and his pocket knife—who after long practice with that "magic tool" could make a machine and the machine that makes it.

In a late number of "The Forum," about how to spend our leisure the editor says "Every healthy human being can master some gadget or hobby. Above all he can learn to think; he can steal a lesson from the smiling orientals who believe the mind is its own kingdom and can make a heaven of hell or a hell of heaven. "Nothing is at all sacred" wrote Emerson "but the integrity of your own mind."

There is something Americans are more in need of than economic recovery or even than neighborliness, and that is personal mental integrity. The mass debauching of the American mind must be checked. The tabloids and the movies are aggressively evil in inculcating in youth the heroism of lawbreaking, but passively our press, our orators, our educational systems contribute too often to the personal paralysis of the mind.

Too bad we haven't more editorials, eye needed warnings from both press and pulpit on the dangers quoted in the foregoing one from the Outlook. Children on our streets playing over the plays they have witnessed, murder, kidnapping and other tragedies that poison their young minds. O, the pity of it.

No use criticizing our times—men customs fashions, no not even NRA and other ventures. Better first find if we are ourselves right, then vote, work and do all in your power, to set the things you find fault with to right; first yourself, then the rest of the world.

Pope said, "Know well thyself, presume not God to scan, the greatest study of mankind is man." "Know well thyself," the first man to which you devote your study, then you may be able to begin on the rest of humanity.

It is so easy to criticize, People we knew about; The spider will find the poison, The bee scents the honey out.

Is it because we are all wrong, That to others faults we point; Losing the key to life's sweet song, Calling our time out of joint?

We criticize the weather, criticize our town, Find fault with folks we meet; The corners of our mouth pull down And scarce old friends we greet.

We were taught this rule long time ago, Your friends never analyze; Study yourself and learn to know, If you know yourself you're wise.

Find fault with neighbors and our friends, Pick out mistakes and flaws; It's only when the long list ends, We pitch into our laws.

Cheer up good friends, the world today, Is the best world that we know; The dandelions star our way, And the sunset splendors glow.

Men howling over inflation, the Gold Standard, crop reduction and we know not what. When for a space silence comes mayhap we shall have learned to think deep and resolve firmly to make the world better for our having lived in it.

Nice old world, to be sure it is, one of the pleasant things that helps us over dark places in the children and we do love them, but somehow the children whose parents teach them to be, oh well as children should be are most pleasant to know. One night recently little Roger Fricke and Lois came in search of their new little dog. It was so pleasant to see Roger stand so upright and anxious for the little dog, yet both he and sister Lois were sure the puppy would not freeze for his sister, Harriette had put his night blanket on. Glad to hear next day "Shoope" the dog, was found all right.

A great judge said a few years ago that of the many boys who had been arrested and brought into his court for heavy misdemeanors, over 90 per cent had never been in Sunday school or under home or church influence. Here came two hundred youths to our town from homes in the Presbytery of this district well behaved, splendid boys whom it was the pleasure of the church families to entertain in their homes.

Another pleasing feature of this convention in our town was that it proved that our people have not forgotten the Christian grace of hospitality. This is not to praise one church; it is to show the excellence of those who are in our community and who strive to uphold the true purpose of our churches.

We get wrong impressions thinking the whole town, and the nation have gone wrong, as the old prophet in Israel when he cried, "I alone am left in Israel to follow the Lord" and the Lord showed him there were thousands serving Him as faithfully as himself. We need such revelations right here now to bump us out of our doldrums and self righteousness.

Two little children came to our home not long ago, their families are in different churches. One child was telling of an entertainment in the church his family attended, the other child made faces on the aside and did all possible to cast scorn on his description of the entertainment he thought worth while. Parents! Are we Christians? Isn't it possible to forget the man made denominational lines that separate us and teach our children we are all children of the selfsame Father, endeavoring to walk in the spirit of our Savior Jesus Christ? "You go to your church and I go to mine, let us walk down the road together." The way, the road, the Master leads without unchristlike prejudice and intolerance, even implanted in children's minds.

There may be many a grafter, And nations on conquest bent; Yet there is ever sobbing and laughter, And folks of kind intent.

Some seed you now are sowing, May bring no harvest yield; Some weeds persist in growing In every well tilled field.

Some you have long been trying, To help in the better way; Waste no time sadly sighing, If they forget today.

Life has so many angles, So many points of view; When others get in tangles, To help is beyond you.

'Tis God, the great creator, Who guards each one's life plan; He will work out soon or later, Beyond the power of man.

We see so many straying, Far from our power to aid; We can only keep on praying, For their turning long delayed.

Of old a prophet went crying, "I am all left alone," While light for which he was sighing, On thousands of others shone.

Tomorrow, a new day coming, With the glory of the sun; Set your voice new tunes a-humming, To the joy of victory won.

There are many weakly trying, Some worthy deeds to do; Defeated, they are sighing, Maybe they're needing you.

Sunshine comes ever after, Storm has its fury spent; Always comes song and laughter, When you go with right intent.

Dorothy Fredericks, Clarence Othmer Wed In Quiet Ceremony

Miss Dorothy Fredericks, daughter of Mr. and Mrs. William Fredericks of 14 South Belmont avenue, Arlington Heights, and Clarence Othmer, son of Mr. and Mrs. Fred Othmer, living south of Peoria, were married at a quiet wedding at the bride's home Wednesday evening.

The Rev. J. H. Elderbrake of St. John's church read the service. Miss Bessie Fredericks of Mt. Prospect was the bride's attendant, and Fred Linnenkohl of Nabel's corners was best man.

The couple are making their home at 17 South Belmont street, Arlington Heights. For the present Mrs. Othmer is continuing her work in her position at the Emerald Shop.

LOCALS

What is the news? That question is one of the jokes you pull on us reporter folks. Tell something funny and then hint "Now don't you dare put that in my print; Yet others help us much to find News to inform and cheer your mind. Thanksgiving brought a busy week. Of some here we'll try to speak.

Did you realize that the man who brought the spark to light the Century of Progress, was a speaker in our town last Friday night? Dr. Frost, the blind astronomer from Yerkes Observatory.

Mr. and Mrs. Frank Conley from Chicago were guests of Mrs. Margaret Harris and family last Sunday.

The J. DeRuy family recently moved to Elmhurst to make their home.

Mr. and Mrs. Wilbur Knoekemus from Park Ridge were Sunday guests of her parents, Mr. and Mrs. George Peterson.

Mrs. Schmitt, Senior, is ill with severe asthma in the home of her son, Arthur Schmitt.

The J. L. Carron family who have been living on East Euclid in the former Brunkle place, are planning to return south.

Mrs. F. H. Sachs is caring for Mrs. Engel and her new baby in Chicago.

Going! Going! Gone! and somebody else has purchased that box of goodies. And what a time you will have at the old time box social at the Presbyterian Parish House, Dec. 15. Many surprises.

Mr. H. J. Kossack and her daughters spent several days last week with her parents at German Valley.

Mr. and Mrs. J. O. Bouffard have recently moved into their house on South Highland, at one time occupied by Mr. McBride's family.

Mrs. G. R. Wolf came from Chicago Tuesday to attend the luncheon at the Presbyterian church. The Wolf family are staying in the city while their home at Mount Prospect recently damaged by fire can be repaired and made ready for their occupancy.

Mr. and Mrs. Richard Lorenzen from Chicago, were calling on their relatives and friends in the Heights last Sunday.

Mr. and Mrs. Henry Hartman are moving this week to Park Ridge to be near his new business he is preparing to open in that city.

Beulah, little daughter of Mrs. Beulah Penny Burkitt, was taken to the Northwestern hospital for surgical treatment this week.

Mrs. Groh and her son and family have returned from the city, after a temporary absence, and will occupy her former home on Dwyer street.

The Missionary Society of the Presbyterian church will meet Friday afternoon, Dec. 8, in the home of Mrs. Lena Fehlmann. Mrs. H. A. Kossack in charge of the program.

The Arlington Heights Woman's club had the pleasure of hearing an interesting talk Wednesday by Mrs. Thornton, district law enforcement chairman.

The Methodist and Presbyterian churches united in a Thanksgiving service Wednesday evening in the Presbyterian church, Rev. W. L. Whipple giving the sermon. The church was well filled as this was the first opportunity many of us had enjoyed hearing Rev. Whipple.

Rev. H. A. Kossack read the Scripture selection from Revelations, which Rev. Whipple chose as the foundation for his sermon. His theme was, "God in all things—the Angel in the Sun," spoken of in the Scripture lesson, was the source of all life on earth. The spiritual life, from the Divine, radiated through all humanity. Perhaps we do not rightly gather Rev. Whipple's points, but clearly understood his helpful interpretations and know it was a splendid sermon. The fine spirit of Christian union, gave the service a hopeful uplift to all who were present. May God revive these two and all churches to greater work the coming year.

Pimento and Pimento
Pimento, as used for flavoring, is an allspice obtained from the dried, unripe, aromatic berries of the pimento tree. Pimento is a Spanish sweet pepper.

Unusual Train to Visit Arlington Heights

Something unusual in the way of vehicles, a trackless train comprised of a locomotive and passenger coach, is scheduled to visit here Friday, Dec. 15 about 2:15 p. m. It was announced today by E. R. Williams, local United States tire dealer.

"The train, an exact replica of those used on railroads, is touring the country and has visited the World's Fair at Chicago," said Mr. Williams.

"This unusual mode of transportation is well worth inspecting. In addition to possessing the fascinating features of a giant monster of the rails, it is also equipped with broadcasting apparatus over which several broadcasts will be made.

"Several years ago the first trackless train was built for the Metro-Goldwin-Mayer Motion Picture Company which sent it on a world tour. The tour was so successful and the train aroused so much attention that a second train was built recently by the same company.

"As a result of the satisfactory service which United States tires gave during the tour of the first trackless train, they are being used exclusively in the current tour by the second train. Fourteen U. S. Royal Shock Ply casings with Puncture Sealing Tubes are used. (The locomotive requires size 34x7 and the coach 32x5x7.)"

LOCAL SHRINERS ATTEND MEETING AT DAVENPORT

Geo. Volz, Dr. Savage and Gus Framberg accompanied Arthur Volz of Chicago to Davenport Wednesday, where they will remain two days at the Shrine convention.

Halted Governor's Veto

Abuse of the veto power of the first governor of Ohio created such bitter resentment toward gubernatorial interference that when his enemies secured control of the constitutional convention in 1802 they adopted the opposite extreme, depriving the governor of any voice in legislation. Under the territorial government the legislature could not pass a bill over the governor's veto; under the first constitution, until 1851, the governor could not veto a bill at all.

ELECTRICITY THRIFTY ITEM

As you cast up your accounts for 1933, with an eye on holiday shopping and with some regard for the budget for the New Year, you probably are reminded that electric costs are again rising. But the cost of electricity, so important to your household, is unchanged. In good times or bad, over a score of years, the trend of electric rates has been downward. But living costs have rocketed upward, slid down, and now rising again. So that your general cost of living is 28% higher than the pre-war level, while your electricity costs you 47.33% LESS than it did in 1911. With living costs still mounting, the price of electricity remains at the same old level, still the most reasonable item in your household budget.

LITTLE PEP, BUT BOTH SIDES WIN

**Barrington and Arlington
Divide Honors of Lights
and Heavies**

Arlington and Barrington staged two fairly well played games last Friday evening on the latter's court. Arlington's Lights won, as did the Barrington heavies. Twenty-one points seemed to be an unlucky number to score for each of the losers accumulated that total.

Whether it was due to the hangover of the turkey day festivities or merely lack of pep, neither the teams nor the crowd evidenced much enthusiasm over the games until the closing five minutes of the last game.

All four teams handled the ball fairly well, but their shooting was far below par. Latta, soph center, and Brandt, took the honors for good playing for the Broncs. Ulrich and Brandt put on a nice defensive act against the Cardinals.

No one of the Cardinals was outstanding. Brodman was the high scorer, but his passing was not good. On the other hand Frank Szasz and Forssen were passing well, but they failed to show much drive for scoring.

The lightweight game was well played but a lack of enthusiasm spoiled the effectiveness of the boys. For interest the game was just about as good as that of the heavies. Schulenberg led in scoring for the winners as did Klop for the losers, each collecting 10 points. Hertel, of the Green Tornadoes, displayed some very effective pass work.

PNEUMONIA INCREASES
The 343 cases of pneumonia reported last week indicated an increase of 57 per cent compared with the week before and the highest weekly prevalence this season. Always influenced unfavorably by cold weather, pneumonia may be expected to increase in prevalence as the winter advances. Respiratory ills such as colds, influenza and tonsillitis and even measles and whooping cough, are the onset of pneumonia. Exposure to inclement weather is not in itself a factor in bringing on pneumonia so much as is the physical condition of persons at the time of exposure. Wet feet and clothing become important factors favorable to pneumonia when persons are compelled to wear wet shoes and clothing for considerable periods after the physical exertion has ceased or for extended periods.

'Swede' Witt Is Star As Palatine Bowlers Defeat Mundelein Crew

With "Swede" Witt rolling games of 206, 254, and 228 for an afternoons' total of 688, Palatine's Regulars outbowed Mundelein's representatives at the Dinse alleys Sunday afternoon. Palatine took the first two games 934 to 901 and 1077 to 999, and lost the last round by eight pins when their total was 951 to Mundelein's 959.

Palatine will bowl at Mundelein Sunday, with the pins scheduled to begin toppling at 2:30 o'clock.

Arlington Opens Conference Season Against Lake Zurich

The 1933-34 Conference basketball season will be ushered in this Friday night. Opening at home, Arlington has as her competitor, Lake Zurich, after an absence of a year from the Cardinal schedule.

Advance dope on Ela has it that they have one of the best teams they have turned out in recent years, and one likely to extend Arlington's hopes to the limit, if not defeat them. Various coaches around the conference have expressed the opinion that Lake Zurich will be the dark horse of the conference this season. With a team of veterans, which staged some upsets last year, they are coming to the local floor bent on starting their season off with a win. Any fan staying at home this Friday evening will miss one of the best early season games on the local schedule.

Arlington's team is far from top form as yet as could be expected after a bare three weeks of practice. However, in the Barrington game last week they gave indications of some possibilities of future class.

Their ball handling approached mid-season form, while their goal shooting was way below par. The general floor work was somewhat ragged, but this week the boys have evidenced more ability at keeping their play spread and thus making for better floor work. The combination that looked best at Barrington consisted of Capt. Pingel and Brodman at the forwards; Koelling at center, and Frank Szasz and Forssen at the guards. S. Szasz, Mielke and Klemm were the others breaking into the game. These three make able substitutes.

For the lightweights seven Arlington boys broke into the game, Gieseke, Niebuhr, Hertel, Weinrich, Weisgerber, Schulenberg and Rohling divided the time among them. A host of others just about as capable are ready to relieve them.

Palatine Tigers Defeat Schneiders Cubs, Elgin; Carmie Taylor Is Star

The Schneiders cubs of Elgin booked a match with Palatine Palatine regulars last Sunday, but owing to a challenge from Mundelein to the regulars, another team the Palatine Tigers, formed and agreed to take them on.

The first game the Cubs beat the Palatine boys by 3 pins, but the Tigers, encouraged by their good showing in the first game, came back to win the second and third games by 30 and 41 pins respectively to win the match game by 68 pins.

Little Carmie Taylor, Palatine star, shot 638 to help clinch the match.

Zornow was the Schneiders' Cubs high man with 588 pins.

The Palatine Tigers will bowl against Des Plaines on the Dinse alleys in Palatine at 2:30 o'clock Sunday afternoon.

Here's a Fish Story That Cops the DoNuts; It's from Pistakee Bay

Brethren. Here's a real fish story told by Rudolph Johnson of the Bald Knob resort on Pistakee Bay.

"During the sand storm which passed over northern Illinois, I was standing on the shore of Pistakee lake," he says.

"I noticed a whirlwind pick up the water and form it into a funnel, similar in shape to the water spouts which occur on the ocean. The spout appeared to be from 15 to 18 feet high, and on the very top of the spout I noticed an object which resembled a small airplane propeller.

"The spout twisted and turned as it traveled toward Bald Knob, being rushed onward by the heavy wind."

"As it reached the shore it broke with a splash and the dark object which had been riding its crest tumbled to the sands below. I rushed over to see what the object was, and, to my surprise, picked up a 5 1/2 pound large-mouth black bass."

"I still have the fish alive in our live-bow as evidence of this unusual experience."

PALATINE DEFEATS NILES CENTER FIVE IN TUESDAY GAME

**Heavies Win 35-14 Following
Pirate Light's Victory
of 17-14**

Palatine downed Niles Center in a pair of games Tuesday evening on the home court by scores of 35 to 14 in the main event and 17 to 14 in the preliminary lightweight contest. Both games were far below the standard witnessed here last week with much wild shooting and little floor play.

The Pirates used their height to good advantage and employing a fast break ran up a 14 to 5 count on the Niles boys at the quarter and 20 to 6 at the half. Reuse and Blankenship led the first half attack in which the best basketball play of the evening was displayed. Niles resorted to long shots in the last half with poor success while the play of the Pirates fell far below standard. Both teams substituted freely in the final quarter. Her and I. Hahnfeldt scored field goals in the closing minutes for Palatine. In the closing minutes for Palatine, the Niles sank two long shots in the last period for half of the visitors field goals. Niles made 4 out of 46 shots while Palatine made good on 12 out of 54.

The lightweight game found Palatine gaining an 8 to 2 lead at the half but a strong comeback enabled Niles to tie the count at 9 to 9 late in the third period. The teams alternated at leading until Mangels started a rally with two field goals which gave Palatine the ball game. Mangel used eight forwards in an effort to locate a pair capable of starting Friday's conference opener at Wauconda. Wittenburg continued his good work at the center position and grabbed scoring honors with seven points.

Scouters' Christmas Party and Ladies Night Planned for Wednesday

Invitations have been issued to all Scouters and members of the Scouting club in the Northwest Suburban area to come with their ladies to the Annual Christmas party and ladies night program sponsored by the leadership training committee of the council, next Wednesday evening in the Des Plaines Congregational church.

The program has been the scene of Scout training activities for the past six weeks. This much anticipated program of fun and entertainment will begin at 8 o'clock.

Although a greater portion of the evening will be given over to enjoyable features for the entire group, the program will have its serious elements. One of these will be the ceremonial of presenting to all the men that have completed training courses in the past six months their National Training certificate. These presentations will be made by the leaders of each group and assisted by a staff consisting of all those that have been on the faculty or contributed to the administration of either the elementary, approved or handicraft courses. R. T. Sundelius, leadership training chairman of the Northwest Suburban Council, will be chairman of the evening, and will be assisted by members of his committee who are:

A. R. Crawford of Niles; R. E. Baker and A. J. Beckmann of Park Ridge; E. J. Anderson and W. J. Imig of Des Plaines; John Cadwalader of Barrington; Stanley Beckman of Palatine; J. C. Pfingsten of Arlington Heights; C. J. Gallagher of Mt. Prospect. Mr. Anderson also represents the commissioner's staff and Mr. Crawford the Scout-in-chief.

According to an investigator of the Department of Agriculture, flies as well as certain other insects smell by means of hairlike organs on their legs. This widespread area and number of olfactory organs certainly gives them the advantage over man who must be content with only one nose. This also explains why flies will be attracted to places where an odor is so slight as to pass undetected by human beings.

Tell Us More About It

Dear Mr. McElroy:

In the last issue of the Arlington Heights "Blabber" of which you are a reporter, there were certain sports statements which were terribly misleading. In one article, especially, there was a false statement which made a good team an underdog. Check over your statements issued.

I wish you would put in reports that are true and not all Palatine or have a successor who knows how to write them. We demand an apology for the misleading statement you wrote.

Yours truly
"No Hard Feelings."

The Arlington-Barrington doubleheader at Barrington last Friday night is a fair indication of how evenly matched the conference teams will be this season. The Arlington lights won by a point or two while Barrington noses out the Cardinals by a single point in a great last quarter rally. These teams do not meet during the conference season, but both have prettily fair prospects. Barrington should have a good team by mid-season as their new men show great possibilities. Latta at center looks like a very good prospect.

Brodman Shows Up Big Boys

Albie Brodman, midget Arlington forward, showed up members of both teams in the Cardinal-Broncho game by his sensational work on offense. He is the best ball handler on either team and has a dandy one hand shot from a foul line pivot. Arlington forward candidates will have a tough job keeping him on the reserve list this season despite his 130 pounds. By the way, Brodman scored more than half the Arlington points.

What Do You Think?

Palatine played a really strong team in Evanston five last Wednesday and lost, but put up a great battle. Perhaps some of you fans would have rather had them play a weaker team and turn in a victory, but it is our opinion that there is more glory in losing to a team that is recognized as strong than there is in piling up a lopsided count against a weak team. What do you think? Palatine learned more, worked harder and played better ball than if they had played some pushovers. Palatine has received splendid preparation for the conference season in these tilts with Evanston.

We Make a Correction

Last week in mentioning Wauconda's prospects we stated that they beat Arlington by a close score in an after school practice game. That is the report we received first, but were corrected that Arlington's score book showed a 26-24 win for the Cardinals. The game was played without an official score. In another practice Arlington won from Wauconda 34-29. We apologize for the error.

Conference Season Opens

The conference season opens tonight and the results which we shall be most anxious to receive are those of the Barrington-Libertyville and Warren-Antioch games. These four teams appear to be contenders, on paper, and we wonder just which ones are the best. In other games Palatine travels to Wauconda, Ela treks to Arlington and Bensenville invades Leyden. We are not going to make any conference basketball predictions, but may the best teams win.

Sport Page Plans

We are going to attempt to furnish readers of the Paddock paper with box scores and writeups of all the first team games played in the Northwest conference each week. Most of the coaches have agreed to fill out forms which we are sending

MORTON GROVE

Mr. and Mrs. Harold Lumppp en-
 tertained at dinner Thanksgiving,
 Mr. and Mrs. Fred Lumppp, Sr., and
 Mr. and Mrs. Fred Lumppp, Jr., of
 Niles Center and Mr. and Mrs.
 John F. Dahm of Morton Grove.

Mr. and Mrs. Arnold Lindeman
 gave a surprise party Saturday eve-
 ning at Riverview hall, Des
 Plaines in honor of the birthday
 anniversary of Mr. Lindeman's
 mother, Mrs. Louise Lindeman, who
 resides with one of her daughters,
 Mrs. Peter Brosius at Mt. Prospect.
 It was the honor guest's 83rd birth-
 day. Mrs. Lindeman has eight
 children, twenty grandchildren and
 eleven great grandchildren. All
 her children were present at the
 celebration excepting Mrs. Max
 Quiram, who is ill at her home in
 Chicago. Those present were Henry
 Lindeman, Mr. and Mrs. Henry
 Kindt of Chicago; Mr. and Mrs.
 Fred Lindeman of Des Plaines; Mr.
 and Mrs. Peter Brosius of Mt. Pros-
 pect; Martin Lindeman of Niles
 Center; Mr. and Mrs. Edward Lin-
 deman and Mr. and Mrs. Arnold
 Lindeman of Morton Grove. Dan-
 ing occupied the greater part of
 the evening, music being furnished
 by two of Mrs. Lindeman's grand-
 sons, Norman and Harold Linde-
 man. A delicious supper was serv-
 ed at midnight. The Herald
 extends best wishes to Mrs. Linde-
 man and wishes for her many more
 happy birthdays.

Wednesday, Mrs. Harold Lumppp
 was pleasantly surprised by the
 members of the singing club in
 honor of her birthday. Saturday,
 Mrs. Lumppp and her mother, Mrs.
 Catherine Urban, motored to Mil-
 waukee, where they visited Mrs.
 Urban's daughter, Sister Mary Lig-
 ouri, at St. Mary's convent.

Roman Biesman, son of Mr. and
 Mrs. Daniel Biesman, Ferris ave-
 nue, who is attending the seminary
 at Thiensville, Wis., arrived home
 Wednesday last week to spend
 Thanksgiving with his parents. He
 returned Sunday to resume his
 studies.

Mr. and Mrs. George Peschke en-
 tertained at dinner the Wolff
 family of Chicago, Thanksgiving.

Many tourists when driving on
 Dempster street stop to admire the
 handsome floral display in village
 clerk, Mr. J. Lochner's conserva-
 tory. It is a beautiful exhibit.

Mr. and Mrs. Thomas Yehl en-
 tertained Mr. and Mrs. Peter Gebel
 and Mr. and Mrs. George Peschke,
 at their home Saturday evening.
 Bridge-keno was the evening's en-
 joyment, followed by a midnight
 supper.

Mr. and Mrs. Peter Gebel and
 children and Mrs. Mary Lynch en-
 joyed Thanksgiving dinner as
 guests of Mr. and Mrs. Edward
 Hirtley at their home in Forest
 Glen. Sunday, Mr. and Mrs. Gebel
 were supper guests of Mr. and Mrs.
 Wm. Devereaux at Logan Square,
 Chicago.

Mrs. Mary Lynch was a house
 guest at the home of her sister and
 brother-in-law, Mr. and Mrs. Wm.
 Graham at Austin, from Friday to
 Monday.

Mr. and Mrs. David Fielweber
 and Mr. and Mrs. Harold Schlott-
 berck and daughter, Phyllis, were
 Thanksgiving guests at the home
 of Mr. and Mrs. Wm. Wilke on
 Ballard road.

Morton Grove "500" club met
 with Mrs. Henry Lautsch at her
 home on Lincoln avenue, Monday
 evening.

Monday afternoon, the members
 of 1933 board of the seventh
 district Legion auxiliary, surprised
 Mrs. Peter Gebel at her home. The
 guests brought with them, besides
 refreshments, a beautiful ham-
 mered copper tray which they pre-
 sented to Mrs. Gebel in recognition of
 her services as president of the
 seventh district the past year. This
 tray was made by the veterans at
 Speedway hospital.

Mr. and Mrs. Arthur Wuest en-
 tertained at dinner Thanksgiving
 day, Mr. and Mrs. George Schmitt,
 daughter, Marion, and Mr. and
 Mrs. Carl Wallen, son, Billy and daugh-
 ter, Lois, all of whom were present.
 Mrs. Lucinda Wuest entertained
 her "Rummy" club at her home
 Wednesday evening.

Mrs. Charles Kreamer will be
 hostess at a card and bunco party
 given December 12 at 2 p. m. at
 St. Martha's church hall. The pro-
 ceeds will be turned over to the
 Catholic Woman's club funds as
 this organization will endeavor, by
 giving a series of parties, to re-
 model the church kitchen. Every-
 one is welcome.

Friday, December 1, was the 17th
 birthday anniversary of Miss Addis
 Browder and in celebration of the
 event, Miss Addis' grandmother,
 Mrs. Mary Browder, tendered her
 a surprise party of fourteen young
 ladies of Morton Grove. The girls
 played games and sang songs until
 11 o'clock, when they sat down to
 delicious refreshments. Before de-
 parting, each guest wished Addis
 many returns of the happy day.
 Those invited were Misses Bernice
 Yehl, Eleanor Winandy, Marion
 Haupt, Evelyn Juern, Jean Zerdas,
 Virginia Sabel, Ruth Husen,
 Laverne Guenther, Bernice Stellar,
 June Dilg, Florence Huser, Meta
 Sigel and Ruth Riba.

Mr. and Mrs. Herbert Sharen-
 berg of Montella, Wis., arrived in
 Morton Grove last week Wednes-
 day, to spend Thanksgiving with
 Mrs. Mary Browder and family.
 They left for home Saturday morn-
 ing.

Mr. and Mrs. Alexander Falk en-
 tertained at Thanksgiving dinner,
 Mr. and Mrs. George Huser of
 Bensenville, Ill., Mr. and Mrs. Charles
 Salisbury of Ravenswood and Miss
 Stella Urban of Logan Square.

Saturday evening guests at the
 Falk home were Mr. and Mrs. John
 Richards, Logan Square; Mr. and
 Mrs. Charles Bryers of Morton
 Grove.

Mr. Wm. Kirscht, chairman of
 the Morton Grove Day and the
 chairman of all the different or-
 ganizations, take this opportunity
 of thanking all who helped to make
 the affair the grand success that it
 was. The gross receipts of the day
 was \$2,200. Total expenses \$1,615
 net profits, \$585.00.

The Welfare of Morton Grove
 will hold their monthly meeting
 Monday, Dec. 11. The ladies on the

Mt. Prospect Department

Cub Pack Being Formed for Boys By Legion

Troop 23, Boy Scouts of America, will hold a court of honor in the Mt. Prospect school at 8 o'clock the night of Tuesday, December 12.

Mrs. Ralph Gould entertained the Fortnightly club on Wednesday. Harold Flinn celebrated his 10th birthday on Friday, Dec. 1, by entertaining several schoolmates.

Mr. and Mrs. Chas. Pankonin, Mrs. E. M. Luckner, Miss Frey and Mrs. W. Felgenhauer attended Correspondents' night at Niagara Chapter, O. E. S. on Tuesday evening.

Mrs. Charles Verret entertained her card club on Tuesday. High honors going to Mrs. R. Gould, Mrs. H. W. Flinn and Mrs. Wacker.

Mrs. H. W. Carlson, Mrs. A. Bernhard and Mrs. R. Kent attended Cook County Council on Friday. Mr. and Mrs. R. Schirmer and son, Chester and Mrs. W. Schirmer were visitors at the P. H. Frey home on Sunday.

Mr. Rudolph Kruse, proprietor of the Mt. Prospect News Agency, is driving a nice new automobile around town these days.

The G. R. Wolf family are staying in Chicago until their home is remodeled after the fire.

Mrs. Ann Bernhard attended the meeting of the Albany Park American Legion Auxiliary, at which time they held their election. This is a new unit in the district.

Mr. and Mrs. H. E. Frey and daughter, Phyllis, spent Thanksgiving day with their parents, Mr. and Mrs. F. H. Frey.

Mr. Fred Mueller and daughter, Alice, had as dinner guests Sunday, Mr. and Mrs. W. Mueller and family of Jefferson Park and Mr. and Mrs. Herbert Mueller and family of Glenview.

We are sorry to hear that Mrs. V. Winn has lost her father by death. She has the sympathy of the community.

Mr. and Mrs. Earle Frey spent Thanksgiving day with her father, Mr. E. Winkelman, of Seagrass road.

Mr. and Mrs. H. W. Flinn entertained relatives from Chicago, Thanksgiving Day.

Mr. and Mrs. E. T. Wolf and son, Bobby, and Miss Alma Paepke spent Thanksgiving in Milwaukee with Mrs. Wolf's and Miss Paepke's brother.

Mr. and Mrs. J. Bernhard attended the dance given by the Ninth District of the American Legion on Tuesday evening.

On Tuesday, Dec. 12, the Boy Scouts of Troop 23, of Mt. Prospect, will hold Court of Honor at the public school basement. Everyone invited.

Miss Myrtle Frey attended club meeting in Chicago on Monday evening at the home of Mrs. R. Summe.

Mr. and Mrs. Emory Wolf attended the dance sponsored by the Ninth District of the American Legion, Dec. 5.

A meeting of the teachers of the Mt. Prospect Community church Sunday school will be held Friday, December 8, at 8:00 p. m. at the home of Judson F. Lee, 406 Wapella avenue.

Mr. and Mrs. R. Scheiner of Mt. Prospect, are the proud parents of a fine baby girl born on Thanksgiving day, Nov. 30, at the Mt. Prospect General Hospital.

Edwin and Jack Moehling returned to their classes at Morgan Park Military Academy Monday after spending the Thanksgiving holidays with their parents, Mr. and Mrs. Wm. F. Moehling. Both boys are playing football this year.

Their sister, Gertrude, also returned to her studies at Valparaiso University, where she is taking the Liberal Arts course.

Mrs. E. C. Bolton left Saturday for Denver, Colorado, where she will join Mr. Bolton, who has been in Denver for the past three weeks. They plan to return to Mt. Prospect about December 15.

The next regular meeting of the Catholic Women's Club will be held on December 14, at the home of Mrs. R. Gould, 505 S. Wille street at 1:30 p. m.

The new officers for the coming year are: President, Mrs. J. Martin; vice president, Mrs. F. Jordstad; secretary and treasurer, Mrs. F. Petrine.

BOY SCOUT NOTES
On December 2, troop 23 of Mt. Prospect, held a hike at a secluded spot in Plum Grove. No cooking utensils were allowed, the cooking being done in cans or on sticks, etc., to the best of the cooks ability. Another highlight was an exciting game of football. Several tests were passed in preparation for a court of review on December 5.

The court of review was a great success due to fifteen gallons of regular, farm grown, old fashioned popcorn which was consumed by the troop members. It was the gratefully accepted gift of Mr. Baldwin. The troop offers its thanks. (It was good, I ought to know).

A court of honor will be held on December 12, Tuesday, at 8 o'clock in the public school basement. At this time all boys who have advanced or distinguished themselves in some way, will be awarded recognition.

LARGE GROUP AT WOMAN'S CLUB MEET

Hear Xmas. Program Arranged by Program Committee

The regular meeting of the Mt. Prospect Woman's club was held at the home of Mrs. R. Salzman, Tuesday evening.

The meeting was held because of the sudden death of Mrs. Winn's father. The club extends its sympathy to Mrs. Winn in her bereavement.

The large attendance of both old and new members was very gratifying. Reports were given by chairmen of various committees.

Invitation was read from the 20th Century Club of Park Ridge to attend its Reciprocity Day program on Dec. 12.

Donation was made to the Little Wanderer's Day Nursery. Membership chairman presented five new names for consideration of the executive board.

Because of the holidays, the January meeting is to be held on the second Tuesday instead of the first Tuesday and the board meeting will be held on the first Tuesday.

The garden chairman, Mrs. Maeseng, gave a splendid report of the meeting held in Des Plaines on Nov. 22. The garden department slogan for the state is "Pull a ragweed and plant flowers—hollyhocks, petunias, etc." Also do not forget to feed the birds this winter. Nail a part of a loaf of stale bread out in your yard somewhere where you can watch your feathery friends come and eat it.

She also told that only the oak trees survived the spring tornado. Bones were distributed to the members for their contributions to the Good Will Charities. A Parliamentary quiz was conducted by Mrs. Walter Weiss.

After the regular routine of business, the meeting was turned over to the program chairman, Mrs. L. G. Johnson. This being the month of Christmas, the program was arranged along that line. The club as a whole, sang two Christmas hymns, "Silent Night" and "O Little Town of Bethlehem."

Miss Ruth Coffield gave three readings, entitled "His First Dress Suit," "The Day After Christmas," and "Number 11." These were much appreciated.

Miss Adeline Blackwell accompanied by Miss Ethel Mundi, sang three Christmas songs, "Birthdays of a King," by W. H. Neidinger, "Gift," by A. H. Behrend and "O Holy Night," by Adolphe Adam.

Refreshments were served. The Mt. Prospect Woman's club appreciates very much the program presented by these ladies.

American Legion

The membership of our Post is increasing steadily, signifying the constantly growing interest in Legion activities in our community. At the regular meeting last Monday night two new members were inducted: Edward C. Dutton and Stephen W. Harrington. We welcome you as comrades.

Comrade Stanley Kent was unanimously elected to be our Ninth District delegate.

The Turkey drawing (the purpose of which is to raise funds for a Legion Children's Christmas party) will be held on the evening of Dec. 15, at the home of Charles Verret.

American Legion Auxiliary

The next regular meeting of the Mount Prospect American Legion Auxiliary will be held on Monday, Dec. 11, at the home of Mrs. Ralph Gould, 505 S. Wille street.

We will have as our speaker that evening, Mrs. Florence Johnson, rehabilitation chairman of Ninth District. She will bring us a very interesting message on her work.

Mrs. Florence Johnson is also chairman of the dancing party being given for the boys at North Chicago on December 14. She would like to see as many of us there as possible.

American Legion Junior Auxiliary

The Junior Auxiliary will not have a meeting this month, instead they will be given a Christmas party sponsored by the Post and Auxiliary.

Juniors, please remember to save silk stockings and spools, bring these to the meeting in January.

Ancient Meaning of "Brawl"

The word "brawl" is thus defined in an old dictionary: "The dance with which all balls are begun, wherein the persons dance in a ring, or not forward, continually pulling and shaking one another."

"Only Yesterday"
Current at McVickers

There's a new star in the Hollywood firmament. She is Margaret Sullivan, the last of the great Broadway emotional actresses, and in her screen debut, "Only Yesterday," she takes a definite place among the foremost women of the cinema.

"Only Yesterday," now current at the McVickers Theater, casts Miss Sullivan in a role of surpassing tenderness, spiced with the bitterness of life's realities.

As a background to this most absorbing story are the barely perceptible changes in costumes, customs and emotions of the American People during the dozen years that have elapsed since the Great War.

Besides the principals, seventy-two major players are seen in "Only Yesterday."

Celebrated Stars in "Christopher Bean" At United Artists

"Christopher Bean" based on the play "The Late Christopher Bean" one of New York's outstanding hits, opens at the United Artists Theater December 6, bringing Marie Dressler and Lionel Barrymore in their first appearance as co-stars.

Both these artists are famed for their characterizations in a widely diversified range of pictures, but in "Christopher Bean," they have roles unlike any they have ever played.

Miss Dressler enacts Abby, the faithful old servant. Barrymore is seen as the kindly country physician who under the lash of avarice turns to a scheming, grasping scoundrel seeking to rob her.

The story is a vivid drama of New England country-sides.

"Prize Fighter and the Lady" Chicago Theatre

"He's great in the clinches!" That's what Miss and Mrs. America are saying about a new screen idol, Max Baer who makes his film debut in "The Prize Fighter and the Lady," opening at the Chicago Theater December 8.

Baer springs the biggest surprise on base Hollywood that the Screen Capital has ever experienced. Here is a handsome, fearless, fist-swinging Apollo, fresh from triumphs in the squared ring, stepping into an emotional, romantic and fiery role as a lover, and playing it with all the grace and poise of an experienced footlight veteran.

It matters not that the ten round fight between Baer and Primo Carnera is the climax of the plot, but to Baer in his scenes with Myrna Loy, outdoing Don Juan, and keeping pace with the superb acting of Otto Kruger and Walter Huston, that for most screen fans will be the highlight of "Prize Fighter and the Lady."

On the stage of the Chicago, "Connie's Hot Chocolates" an all colored revue which ran for a solid year in New York, will be presented with the original cast. More than sixty prominent Harlem headliners, together with a scenic beauty chorus, will bring the blue rhythms and hot harmonies of Harlem to Chicago. "Hot Chocolates" has its own music, its own humor and its own rhythm, a combination that will bring a heat wave to the loop for the pre-holiday season.

ELK GROVE CLUB TO PRESENT 'DONE IN OIL'

Mrs. Lilian Draper Klehm
Directs Play for Benefit
of Dist. No. 57

They're at it again. It's that Elk Grove Young People's club, organized for the benefit of School District 57, formerly the Elk Grove Entertainers. In their latest hit it's "Done In Oil," a farce-comedy by Herm. T. Decker to be given Thursday, Dec. 14 and Friday, Dec. 15, at 8 o'clock at the Elk Grove town hall on State road just south of Higgins.

As many may know, the two preceding plays, which were coached by a former club adviser, were a great success. This one will, however, be coached by the well known and very efficient Lilian Draper Klehm, and is hoped to be a far greater undertaking than any tried by this club. This hope is brightened by the fact that everyone having any connection with the play has promised the director his or her loyal cooperation.

This comedy centers around an old-fashioned German who immigrated to America many years ago, but still carries a somewhat foreign accent. The story includes his family and their affairs, and visitors at the summer resort near Ladyfern Lake, New York. You will laugh at the troubles of the family and the dealings of the book agent. You'll laugh still more at the father's former German partner, and his conversation with others of the household. Wait till you see the well educated Englishman strut his part as valet and teacher par excellence to Mr. Pumpnickel, and his love affair with a family relative. Then there is the young promising book writer, who is already in love with the daughter; also a revolutionist and his crooked partner, who try to swing a "big" deal. You will enjoy this play from start to finish.

Don't forget! Dec. 14-15, at 8 o'clock at the Elk Grove town hall. Get your tickets early as there is a limited number of seats, and you cannot afford to miss it. Admission will be 35c and 25c. Tickets may be purchased from Steve Csanadi at the Modern Beauty Shop, from any other member, or at the door.

The cast: Robert, Donald John-

son; Emil, George Honemann; Vera Nyce, Gladys Bradley; Frieda, Evelyn Isaacson; Lena, Lee Lohre; Elsie, Agnes Moehling; Karl, Herbert Moehling; Marmaduke, Steve Csanadi; Anita, Lydia Behrens; Gregory, Ernest Taegge; Orville, George Taegge; Manuel, William Zirkle.

Railway Travel Dollar Is Increased to \$1.50 New Passenger Rates

The every-day passenger on western railroads will find on December 1 that the value of his rail travel dollar has jumped to about \$1.50 as compared with the value previously prevailing, according to a statement made by R. Thomson, passenger traffic manager of the Chicago & North Western railway.

For example, Chicago to Omaha and return, railroad and Pullman combined, there is a saving of \$12.95; St. Paul, \$10.40; to California and return the saving with a 10 day return limit is over \$70, with return limit of a year the saving is close to \$50.

In abolishing the surcharge on Pullman and parlor car travel, railroads have removed what has been a sore point with many people and made a cut of one-third in the charges. One way coach passengers to Madison save \$2.08; Milwaukee, \$1.36. That is just about the same as if an automobile selling for a thousand dollars were reduced to \$550.

"There is every indication in our territory that the public response to these reductions is going to be strong. We are already placing extra sleepers on the trains with the inauguration of the new fares," says Mr. Thomson. "and we have every confidence that railway travel will regain its popularity with the American people. This stimulation of passenger traffic should prove to be another important step toward national recovery."

Hertzog's Pet Gander Disappears in the Eve Of Thanksgiving

The Gander, for which one of Hertzog's famous hand-made cigars was named, is no more. Mr. Hertzog had placed his pet in its coop the night before Thanksgiving. The next day the goose was gone. Mr. and Mrs. Hertzog hope that the bird was not too tough for the Thanksgiving table that it probably graced. The bird was a great pet and in former days insisted upon following its owner to the business district each day. It was as good as any watch dog.

WHEELING

All persons who desire work must register. This applies to the following: Those now on relief roll, veterans, males or females over 18 years of age. Registration place: Des Plaines City Hall.

Mr. and Mrs. A. Huber moved into the residence adjoining that of their daughter's, Mrs. L. B. Andersen on Morse avenue, recently. Mrs. Carl Dickhoff was called to Wisconsin because of the death of her father on Thanksgiving day.

The Harry Fleisch family spent Thanksgiving at the Belling home. Mr. and Mrs. Gisselbrecht entertained the Lesser and Schwab families at dinner last Thursday. Mr. and Mrs. Chas. Armbruster of Chicago visited at the E. J. Wellfin home on Sunday. The Fred Schmidt family motored to Wisconsin on Sunday to attend the funeral of Mr. Herman Hoffman.

A meeting of the church school teachers and officers will be held Monday evening, Dec. 11, at 8 p. m. The monthly meeting of the Ladies' Aid Society will be held Thursday afternoon, Dec. 14.

**Passion Play Artist
Appears at Des Plaines**
Marie Mayer, internationally famous for her interpretation of the role of Mary Magdalene in the Oberammergau Passion Play, will appear in person in Alfred Struvy's "Christus," a passion play with music from Handel's "Messiah," at the Des Plaines theatre, Sunday, Monday and Tuesday, December 17, 18, and 19.

Carl Craven, director of the Chicago Light Opera company and the Chicagoland Music Festival will direct the choral interpretations and accompaniments. Solo parts will be sung by Ralph Niehaus, tenor, Chicago's leading oratorio and concert artist; Zelma Padula, soprano, formerly of the Brooklyn Opera company, New York, and Chicago Civic Opera company; and Nellie Sturdyvant Dunn, contralto, well known Opera, Oratorio and Concert artist.

Marie Mayer will assume the role she played at Oberammergau, that of Mary Magdalene. A cast of sixty talented actors will interpret the dramatic action and a trained chorus in costume will render the choral numbers from Handel's "Messiah."

WILSON SCHOOL, DIST. 24

We are in the new school building, and we like it very much. Mr. Puffer visited us last week. We were very sorry when Wilbert, Arthur, and Richard Gieseke left to go to another school. However, just before they left, Mrs. Gieseke surprised everyone by bringing cake, candy and cookies. We hope the boys like their new school.

Edward, Mildred and Doris Durband have returned to our school. We are glad to have them back again. John Krueger came to our first grade this week.

The board members had our desks revarnished and now they are just like new. They also brought in two large tables for our lunch room in the basement.

The Mother's Community club has purchased a new kerosene stove for our basement. Hot lunches are to be served soon.

Barrington Again Wet

When hard liquor became legal Tuesday Barrington saw its sale for the first time in 25 years. The village outlawed saloons in 1908 under the local option law.

Byrd Chooses New Motor Fuel for His Second Trip

The conquerer of the North and South Poles is off again to make new American history. Admiral Byrd and his intrepid crew are now far down in the southern waters prepared to tackle the unsolved mysteries that abound at the bottom of the world.

Every precaution has been taken to insure the success of this great expedition which must fight ice and cold 2 solid years. Admiral Byrd personally selected every major product that must see active service in the Frozen South. He was particularly careful in choosing the gasoline and oil needed for his motor equipment.

His choice of gasoline was the new winter Tydol recently perfected by the Tide Water Oil Company of Tulsa, Okla., and New York.

This revolutionary motor fuel, in thorough tests, proved to Admiral Byrd that it was the fastest cold-weather gasoline he had ever used. But his special reason for selecting Tydol was its unique ability to give instant lubrication at sub-zero temperatures. A cold-proof lubricant blended into Tydol protects motors during that dangerous period it takes sluggish motor oils to warm up. Chilled pistons and valves are eased into quicker action and a faster, safer start is assured.

In addition to Tydol gasoline,

Admiral Byrd picked Veedol Motor Oil and the complete line of Tide Water oils, greases and gear compounds to lubricate and protect his planes, tractors and motor sledges.

It is interesting to note that the winter Tydol Gasoline now on sale by Sterling Oil Company of Arlington Heights is the identical gasoline that will give Admiral Byrd faster starting plus instant lubrication in Little America.

IRVING WOLF SCHOOL
Irving Wolf School will give an Achievement program, December 8, 1933. There will be dancing afterwards.

Wilson School First To Enroll All Pupils In Junior Red Cross

The Wilson school on Palatine road is the first of the Arlington Heights schools to be enrolled 100 per cent in the Junior Red Cross for 1934. The goal of the Chicago chapter Junior Red Cross is 445,000 members.

The program includes: Service to hospitalized ex-service men; the transcribing of books into Braille for the use of the blind; and, through international school correspondence, the cultivating of worldwide friendships. Mrs. G. Rex Volz is in charge of the adult roll call in Arlington Heights.
